Dear students,

The most successful people in the world understand the power of networking. Who you know connects you to new ideas, new opportunities, and even new possibilities. The more diverse your network is, the more powerful it becomes!

Join this workshop and learn how to hone your networking skills for personal and professional growth!

In this workshop, you will:
- Create an impactful elevator pitch that suits your goal(s)
- Enter, maintain and leave a conversation confidently
- Apply Do’s and Don’ts of networking in different networking scenarios

About Trainer:

Clement is a certified career coach with over 16 years of experience in providing quality and effective career management and related skills programs to major MNCs and institutions from a wide range of industries and with varying levels of clients locally and in the region.

Clement facilitates career skills programs for undergraduates and postgraduates for the six major universities in Singapore. His designation of Career Management Fellow (CMF) is awarded by the Institute of Career Certification International (ICCI), USA. His articles on career management topics have been published in the press and he has also been invited to radio talk shows.

Seats are limited! Register early at the CFG office.
