

NUS GRADUATE RECRUITMENT OPPORTUNITIES FOR ALL STUDENTS

First Impression Counts!

The Centre for Future-ready Graduates organises On-Campus Recruitment talks to enable you to meet employers and hopefully, secure a job prior to your graduation. When you attend these Company Recruitment Talks, you will be meeting your future employers for the first time and it is important that you leave a good impression of yourself to these potential employers. Hence we would like you to cooperate with us to dress appropriately when you attend these talks.

For the GUYS, please wear business shirts and pants. For the LADIES, please wear blouses and skirts/pants. Please note that students who wear SINGLETs, REW-NECK T-SHIRTS, JEANS, SHORTS, BERMUDAS AND SLIPPERS will be denied entry to these talks. If you are uncertain what the dress code is, please click [HERE](#) for some tips to present yourself professionally.

Remember, FIRST IMPRESSION COUNTS!

Do ask questions too, to demonstrate your interest in the company and employment opportunities.

Notes:

1. If you are interested in attending any of the Recruitment Talks listed in this schedule, please click on the [INDIVIDUAL COMPANY NAME](#) to register.
2. Your name will only be reflected on the registration list if you register no later than 4 hours before the start of the Recruitment Talk.
3. Please register to attend only if you are **certain** that you are available. The companies will be making extensive preparations to meet you hence, they will not appreciate it if you register and do not turn up.
4. If in the event of an emergency, you are unable to attend the talk, you must cancel your registration by proving us with reason(s) via email to careers@nus.edu.sg.
5. Please note that your attendance or non-attendance at these talks will be shared with companies for their recruiting reference.

**** Please refer to Page 1 for instructions on registration.**
