Hey there,

Want to make an impact in the areas of AI, MedTech, robotics, energy and autonomous mobility?

Come meet Singapore's most promising company founders at Comet: SGInnovate's Recruitment-Driven Networking Session. These founders tackle the most difficult problems of our times with cutting-edge technologies that will disrupt the current paradigm.

By joining companies at the early stage, you get to work closely with founders and play a key role in the growth of the company. Another open secret: the upsides are huge when you are an early employee.
