YOU WILL DECIDE THIS CITY’S FUTURE, AGENT A.

A beleaguered city is just a few poor decisions away from complete ruin. And it is where your powerful mind will now come into play.

Get ready to unleash your power as you race against time to save the city—and its citizens—from a dire future.

Set in the world of Virtual Reality, this mission is inspired by Accenture’s quest to improve the way the world works and lives through our expertise in over 40 industries, and our services and solutions in Strategy, Consulting, Digital, Technology and Operations.

PUT YOUR POWERFUL MIND TO WORK AS AGENT A in our interactive Virtual Reality game, and see how your mission performance stacks up against your peers.

STAND A CHANCE TO WIN A GOPRO HERO when you participate in our mission debrief.

CONNECT WITH OUR POWERFUL MINDS to learn more about what we do and who we seek.

DROP YOUR CV to access internship and graduate career opportunities.

Report to our Mission Control Room at the Town Plaza on Wednesday, 19 September, 11am to 4pm, to get this critical mission underway, and find out how you will make an impact with Accenture.

Let’s see you in action, Agent A.
