

**Vice-President
Ms Angie Monksfield, MSCS
Singapore Airlines**

Angie Monksfield founded Cognitive Design Systems Pte Ltd in the late 80s and later sold the business to the EDS group. She then joined Andersen Consulting (now known as Accenture) and later Visa International as Regional Director of Member Services (SEA) in Visa International and subsequently headed up a joint venture of Accenture and Visa, Global Trade Payments Pte Ltd. She is currently a Vice President in Singapore Airlines, heading up the department that is responsible for IT application projects for the SIA group.
