

Mr. Colin Ong TS is the Founder and Managing Director of MR=MC CONSULTING PTE LTD, a company that provides HR & New Technology articles for Magazines and Web portals, Corporate Training and Research.

As a sought-after trainer, his core workshop topics include:

- **New Technology Strategy and ROI**
  - **Creativity and Innovation**
  - **Organizational Change Strategy**
  - **Motivation and Team-Building**
    - **Talent Management**
    - **Job-Skills**

He has conducted workshops for Schools, Corporate Organizations, the People's Association (PA), YMCA and Singapore Chinese Chamber of Commerce and Industry. Under his leadership, MR=MC CONSULTING has provided articles for numerous newspapers, magazines and Management/HR portals worldwide.

Recognized as a Corporate and New Technology Strategist, Colin was twice interviewed by both Malaysia's TV3 Morning Business Talk Show and Singapore Mediacorp's News Radio 93.8 (The Living Room).

Colin is the founder of a vibrant online networking community "12n" which stands for "Want To Network?" at <http://www.mrmc.com.sg/12n>. Its members include academics and business decision-makers around the world. He also reviews academic books, especially in the area of new technology, mobile communications and management.

Currently, he is volunteering his time in setting up the Singapore Chapter of the World Future Society.

## **OTHER NOTABLE TRAINING ACHIEVEMENTS:**
