MANY NEW EXPERIENCES. ONE BIG ADVENTURE.
#1. First things first (rankings).
Whether you think the numbers are important or not, they make a great introduction. So – 1st in Asia. 11th in the world. But that’s far from the only thing that sets us apart.

QS World University Rankings 2021

#2. Majoring in what you love is totally possible.
Going after your passion? Or trying something new? 60 bachelor’s degrees, 54 second majors and 30 major-minor options mean there’s always something you want.
#3. Grades don’t (always) matter.
Like when you are still getting used to university life. The Grade-Free First Year scheme gives you the license to figure out what you like at your own pace.

[nus.edu/gradefree](nus.edu/gradefree)

#4. The world is out here (on campus).
As the 7th most international university in the world, it’s little wonder that our campus is a cultural melting pot. But there’s always room for more.

[Times Higher Education The World’s Most International Universities 2020](nus.edu/gradefree)
#5.
The programmes are future-proof.
Cross-disciplinary is just one part of it. There’s also the Centre for Future-ready Graduates that gets you ready for the future. Fact: our graduates are the 14th most employable worldwide.

Times Higher Education Global University Employability Ranking 2019

#6.
Being enterprising is encouraged.
Everyone likes a good global experience. How about adding a dose of entrepreneurship to it? You can – study and intern with a start-up at 11 NUS Overseas College locations worldwide.

#7.
You’ll get to play safe – literally.
In the 2nd safest city in the world, it’s hard to do it any other way. But you know the drill. Stay alert. But don’t stay out too late – when you have class the next morning!

The Economist Intelligence Unit, 2019 Safe Cities Index
3 things to pack.

#1.  
An appetite for trying something new.  
Lots of new somethings. Like:  
- Checking out **200+ clubs and interest groups**  
- Taste-testing famous Singaporean dishes, on and off campus  
- Finding cool places islandwide when there are no classes  
- Exploring the rest of Southeast Asia over recess week

#2.  
An ambition to live independently.  
International students are guaranteed two years’ stay on campus, and you get to choose from **3 accommodation options**.  
- Halls of Residence  
- Residential Colleges  
- Student Residences  

nus.edu/hosteloptions

#3.  
And a couple of practical stuff*.  
Including:  
- Something to remind you of home  
- Power adaptors  
- Short sleeves for beach weather (~30°C)  
- Layers for indoor air-conditioning (as low as 20°C)  
- Useful NUS apps for making your #NUSlife just that little bit better

m.nus.edu.sg

* Plus an EZ-Link Card for taking public transport, but you have to buy that when you get here.

English Language Requirement

English Language is the University’s language of instruction. Besides submitting your high school qualifications for admission consideration, you may also need to submit an English Language Test score or sit for the Qualifying English Test (QET).

To check if you are required to submit an English Language Test score, refer to pages 10 to 13. English Language Test scores are valid for two years.

To check if you need to sit for the QET, visit nus.edu/qet

English Language Test | Minimum Acceptable Score for Admissions
---|---
C1 Advanced or Cambridge English: Advanced | 180
EL1119 C6 | 6.5 for overall, reading and writing
IELTS 1, 2 | 62 for overall, reading and writing
MUET | 200
PTE Academic | 580 for paper-based; 92–93 for internet-based

Other High School Qualifications*

Completed High School qualification supported with either ACT with Writing or SAT, together with SAT Subject Tests.

* Applicants without actual results must submit either ACT with Writing or SAT, together with SAT Subject Tests for consideration. Applicants may submit ACT with Writing in lieu of SAT.

For other qualifications, please refer to our website: nus.edu/internationalqualifications

1 Different English Language requirements apply for Law. Refer to page 7 for more information.
2 IELTS Indicator scores are not accepted.
3 Only TOEFL iBT scores from a single test date are accepted; MyBest scores will not be accepted.
4 TOEFL iBT Special Home Edition scores are accepted.
Additional Qualifications

You may need to submit additional tests or qualifications on top of your high school qualifications. Refer to the Qualifications & Admission Requirements from pages 10 to 13 to check if you are required to do so.

ACT with Writing

The ACT consists of five sections: English, Mathematics, Reading, Science and Writing Test (optional). Apart from the minimum composite score of 29; the writing component score of 8 has to be met. The writing component is compulsory if you are submitting ACT with Writing in lieu of SAT. All ACT sections (inclusive of writing) have to be taken in one sitting. We do not accept a combination of scores from different sittings. The validity of ACT scores is five years.

www.act.org
SAT
The SAT consists of two sections: Evidence-Based Reading & Writing, and Mathematics. All SAT sections have to be taken in one sitting. We do not accept a combination of scores from different sittings. The minimum acceptable test scores are 600 for Evidence-Based Reading & Writing, and 650 for Mathematics.

SAT Subject Tests
You must submit three subject tests as follows:
- Mathematics Level 2*
- A second subject of your choice (excluding Mathematics Level 1)
- A third subject of your choice (excluding Mathematics Level 1)

* Mathematics Level 2 is a compulsory subject for all courses except Law. Applicants applying for admission to Law may take any subject combination for the SAT Subject Tests.

For SAT Subject Tests, we accept scores for three subjects that are taken within two sittings over 12 months. Please choose the second and third subject based on the subject prerequisites of the courses you are applying for. The minimum acceptable SAT Subject Test score is 650 for each subject.

You may submit your valid SAT and SAT Subject Tests scores for admission consideration. SAT and SAT Subject Test scores are valid for five years.

University Entrance Examination (UEE)
You may need to take the UEE if you present certain academic qualifications in your admission application. If you are taking the UEE, your admission eligibility will be based on your performance. Unless invited, you cannot take or appeal to take the UEE.
Scholarships

As an international applicant, you will automatically be considered for the following scholarships without needing to submit a separate application. You will be informed if you are shortlisted.

Financial Aid

Estimated Living Expenses
A full-time international undergraduate student incurs about S$10,400 in living expenses per year, based on a conservative estimate of expenses required for a comfortable lifestyle on campus.

nus.edu/livingexpenses

Financial Assistance Schemes
Loans, bursaries and work-study opportunities are available to needy students. Simply apply for financial aid online from mid-October to 1 April.

nus.edu/applyfinancialaid

MOE Tuition Grant
A Tuition Grant, provided by the Ministry of Education, is awarded to international students on a competitive basis to help defray the costs of university education.

If your application for a Tuition Grant is successful and you have accepted it, you will pay subsidised fees, and are required to work for a Singapore entity for three years upon graduation. If you are not successful, or have chosen not to apply for a Tuition Grant, you will pay non-subsidised fees. You will also not be eligible for NUS and MOE-funded or administered Financial Aid and Scholarships during your entire course candidature.

nus.edu/ugfees

Tuition Fee Loan
A Tuition Fee Loan (TFL) is also available on top of the MOE Tuition Grant to offset your tuition fee. The value of the TFL is up to 90% of the subsidised tuition fee payable by Singapore Citizens for the same course. Please refer to the calculation scenario below to understand how it works.

5 application questions to ask.

#1. Which courses should you apply for?
Do your research and make a list of your top course choices (check that you fulfil the subject prerequisites). You can indicate up to five choices on your application form, so make the most of it!

nus.edu.sg/oam/undergraduate-programmes

#2. What documents do you need?
Refer to ‘8 things to prepare’ on the facing page and make clear digital copies of the necessary documents.

#3. When do you apply?
When you are ready – and when applications open (also, take note of the closing date that applies to you). Find a quiet place and set aside 20 to 30 minutes to do it.

nus.edu/internationalapply

#4. How do you get updates on your application?
Via the Online Application Status Facility (OASF), so check back often. Look out for notifications about tests and interviews (if applicable), or requests for additional documents.

nus.edu/oasf

#5. When are admissions outcomes released?
We release outcomes progressively from March to July – so hang tight. While you wait, relax. Have fun. Follow our social media (turn to the back). See you in August!
