At NUS, we recognise that each student is unique. That’s why we have pioneered and tailored some of the most exciting programmes and experiences to suit each individual and to prepare you for what you wish to become.

Learn more about how NUS can maximise your potential and propel you into the next phase of your life.
OUR SIGNATURE PROGRAMMES

At NUS, we want you to experience a truly holistic education. That is why we have created several distinctive programmes to maximise your potential.

NUS OVERSEAS COLLEGES PROGRAMME

A2 A13

Fire up your entrepreneurial passion and find out what it takes to create a business start-up through our highly sought-after NUS Overseas Colleges Programme. You can intern for up to a year with start-ups in 11 hotspots across the world while attending classes at prestigious partner universities. What’s more, your interaction with business mentors and angel investors will help you acquire an invaluable wealth of industry knowledge.

- Beijing, China
- Shanghai, China
- Munich, Germany
- Tel Aviv, Israel
- Stockholm, Sweden
- Lausanne, Switzerland
- Silicon Valley, US
- New York, US
- Singapore
- Toronto, Canada
- Southeast Asia

ROOTS AND WINGS

A11 A13 A15

Curiosity, collaboration and resilience – these are some of the soft skills you need to thrive in the fast-paced working world. That’s why we have specially designed a future-ready course, Roots & Wings, for all freshmen to equip you with the necessary skills and mindsets to succeed. Our follow-up course, Career Catalyst, which is available to second and third year students, focuses on career planning and will provide you with the essential skills to effectively market yourself.

UNIVERSITY SCHOLARS PROGRAMME

D5 D6 D7 D8

Our flagship undergraduate academic University Scholars Programme applies an interdisciplinary approach to learning and focuses on developing core academic and professional skills in our students. You can participate in international and local programmes which address topical issues, and at the same time, experience living and learning in a residential college setting. Be a part of this diverse intellectual community where one is encouraged to be curious, critical, courageous and engaged.

GLOBAL EXPERIENCE

A15 A16

Make the most of your university experience by going on the highly popular Student Exchange Programme or other short-term overseas slits, such as Study Trips for Engagement and EnRichment, research attachments as well as Summer/Winter and Special Global programmes.

The codes (e.g. A2, A11 etc) refer to map locations on pages 8 to 13.

ADULT LEARNING PROGRAMMES

Your journey to enrich yourself never ends. Our adult learning programmes equip professionals with new knowledge and key skills to meet the evolving dynamics of today’s workplace.

SCHOOL OF CONTINUING AND LIFELONG EDUCATION

A16

If you are a working adult keen to pick up new skills, you can explore a variety of learning opportunities such as part-time degrees, specialist certificates, and short/modular courses for executive and professional development at the School of Continuing and Lifelong Education. Equip yourself with industry relevant skills, either for greater depth in your chosen fields, or for breadth in your quest for career change. The latest additions to our suite of part-time BTech degree programmes and bite-size modular Executive & Professional Development programmes include Supply Chain Management and Supply Chain & Logistics respectively.

INSTITUTE OF SYSTEMS SCIENCE

A8 A11

Working professionals who aspire to be digital and infocomm leaders can look to the Institute of Systems Science at NUS (NUS-ISS), which provides professional development courses to develop and drive business innovation and digital transformation. Choose from the various programme tracks such as Professional Development, Stackable Programme, Graduate Programme and Professional Conversion Programme, including the SkillsFuture Series, which focuses on skill development in Data Analytics, Cybersecurity, Digital Media and Urban Solutions. Our NUS-ISS programmes have benefitted about 110,000 professionals from more than 6,000 organisations across the industry.

DON’T MISS THESE ACTIVITIES!

GUEST LECTURE

A20 B2

Listen to Singapore’s Artificial Intelligence Chief and our Senior Deputy President and Provost Professor Ho Teck Hua as he shares with you “Top 10 Reasons Why You Should Choose NUS”.

Computing talk (12 noon, A20)
Business and Accountancy talk (2pm, B2)

“STUDENT FOR A DAY” SPECIAL CLASSES

A6

Want to know more about drones or Singapore’s first satellite that was launched into space last year? What about virtual reality or next-generation communication security which offers protection against hacking? Our students will show you some exciting research projects carried out at our labs and workshops.

INNOVATION HUB

A10 A11 A12 A20 A21 D6 E2 E3

Join classes conducted by our faculties and schools, with topics such as “The Study of Crime and Deviance in Sociology”, “The Professor’s Travelling Suitcase of Science Wonders!”, “Computing Security 101: Think Like an Adversary” and many more.

Please refer to Talk & Class Schedule on pages 6 to 7.

NUS Humanitarian Mission Ready Drone
NUS Virtual-Reality Systems for Training Applications
Quantum light particles for secure communication
PERSONALISE YOUR LEARNING JOURNEY

We constantly update and enhance our undergraduate programmes. Come chat with our friendly professors and senior students at the programme booths to learn more about the latest academic courses. The codes (e.g. A4, A5 etc) refer to map locations on pages 8 to 13.

ARTS & SOCIAL SCIENCES A4
• Chinese Language
• Chinese Studies ★
• Communications & New Media ★
• Economics ★
• English Language ★
• English Literature
• Environmental Studies in Geography
• European Studies
• Geography

Open for tours, refer to page 13.

★ MAJORS AND MINORS
We have introduced more Double Major and Major-Minor combinations, which you can apply directly to, in the new Academic Year 2018/19. Diversify and create your own educational pathway by pursuing a second major or minor in another area of interest.

Some of the interesting Double Major combinations are:
• Various Engineering disciplines with Second Major in Innovation & Design
• Communications & New Media with Psychology
• Economics with Business Analytics
• Statistics with Information Security
• Computer Science with Mathematics
• Electrical Engineering with Data Analytics

Or you can opt for Major-Minor combinations such as:
• Economics with a Minor in Information Systems
• Statistics with a Minor in Entrepreneurship
• Information Security with a Minor in Entrepreneurship
• Biomedical Engineering with a Minor in Management

The subject areas in Business, Humanities and Social Sciences as well as Science and Technology are indicated in the preceding list. Find out more about these subject combinations at the Admissions Talk or at the respective programme booths.

For more information on NUS undergraduate programmes, please visit nus.edu.sg/oam/programmes.

JOIN A TOUR
Take a guided tour to explore the rest of Kent Ridge Campus. You’ll soon realise that NUS is situated on a ridge, and why some students commonly refer to us as the National University of Stairs!

CENTRAL LIBRARY
Feel free to view our extensive collections, facilities and services at all seven libraries – Central, Chinese, CJ Koh Law, Hon Sui Sen Memorial, Medicine, Music and Science – which play an important role in your scholarly journey at NUS.

NUS BUSINESS SCHOOL
Explore the nine-storey building which boasts a huge atrium – a focal point for corporate and student events – and classrooms, function and seminar rooms, study spaces and even a financial investments lab.

LEE KONG CHIAN NATURAL HISTORY MUSEUM
Opening hours: 10.00am to 7.00pm. Admission charges apply. lkchnm.nus.edu.sg
Take Tour 1 or Tour 2 and alight at University Cultural Centre.

YONG SIEW TOH CONSERVATORY OF MUSIC
Composition Talk & YST Building Tour
2.00pm, YST Orchestra Hall
YST Assistant Dean, Associate Professor Peter Edwards will share the core of composition and contemporary music curriculum, including modules for non-music majors. A building tour will follow after the talk.
Young Composers’ Academy Concert
3.00pm, YST Orchestra Hall
Members of OpusNovus and Wu Xian contemporary music ensembles perform the world premieres of new works by participants in the YST Young Composers’ Academy.
 Conservatory Orchestra Series: Masaaki Suzuki Conducts Pulcinella
7.30pm, YST Concert Hall, Tickets at $20/$10 from SISTIC
Performed on period instruments, the first half of this concert will feature works that directly inspired Stravinsky’s Pulcinella. Visit the Music booth at NUS Open Day 2018 to win free tickets!
Take Tour 1 or Tour 2 and alight at University Cultural Centre.

LIVE IT UP
We offer a host of residential options, from Halls of Residence to Residential Colleges. Staying on campus allows you to interact with people from all walks of life and form lifelong friendships.

HALLS OF RESIDENCE
Every hall is unique and offers an experience like no other. Find out what it means to be a "hostelite".
• Eusoff Hall
• Kent Ridge Hall
• King Edward VII Hall*
• PGP House
• Raffles Hall
• Sheares Hall
• Temasek Hall

RESIDENTIAL COLLEGES
Residential Colleges combine the vibrancy of campus living with exciting multidisciplinary programmes as students live and learn alongside their peers and professors. The rigorous and highly personalised college-based University Town College Programme is offered at the College of Alice & Peter Tan, Residential College 4 and Tembusu College. The Ridge View Residential College Programme is a two-year residency which takes an integrated interdisciplinary approach to cultivate holistic development in our students to prepare them for life in the University and the work environment after graduation.
• Cinnamon College*
• College of Alice & Peter Tan*
• Residential College 4*
• Ridge View Residential College*
• Tembusu College*

* Open for tours

Too tired to walk? The UTown shuttle is a convenient way to travel between the Residential Colleges.

STUDENT VILLAGE
Head over to the Student Village to learn about the different clubs you can join. Whether it’s an academic society, community engagement club, dance group or sports team, there are more than 100 options for you to choose from. Watch out for special appearances by mascots and take part in activities to win prizes such as headphones, X-mini soundbar, Fitbits and Starbucks cards.

FEELING HUNGRY?
Recharge at one of these dining outlets in University Town.

STEVE RIADY CENTRE
• Butter My Buns
• Flavours@UTown (Food Court)
• Pizza Hut*
• Wa Cow

CINNAMON COLLEGE (USP)
• Starbucks

YALE-NUS COLLEGE
• Cafe Agora

* Halal Certified
VISIT ASIA’S LEADING LAW SCHOOL

NUS Law Open Day • 1pm to 6pm • Bukit Timah Campus

If you are keen to study law, hop on the Law Open Day shuttle bus to Bukit Timah Campus and interact with our Dean, faculty and students or watch a mock courtroom trial in action. You can also visit the NUS Law booth at (please see location map on page 13). Since 1957, the NUS Faculty of Law has provided a strong legal foundation to Singapore’s law fraternity. NUS Law alumni occupy the highest legal echelon in Singapore, including the President of Singapore, Chief Justice, Attorney-General, as well as Ministers and Ambassadors, providing an unparalleled network for our students when they graduate.

Our curriculum is enriched with perspectives from other jurisdictions and disciplines. You will receive a legal education that is comparative, international and multidisciplinary – one which prepares you to be not just a lawyer, but a leader.

Thank you for visiting us.
We hope to see you again!

Information correct as at 28 February 2018.
