Career
As an NUS alumnus, you can access the online job portal, NUS TalentConnect and seek out employment opportunities that meets your interest and preference.

If it is your first time using the portal after graduation, you will first need to register as an alumnus. Click here to begin.

Inspire
Want to contribute as an Alumni Mentor? Consider giving a short sharing session to our students with special needs and inspire them with your personal success stories and how you overcame challenges along the way.

Contact us to discuss how you can take on this meaningful endeavour.
