Preamble:
The purpose of this Registration Guide is to highlight the activities significant to the incoming Non-Graduating student for completing the various formalities towards being officially registered as a student of the National University of Singapore (NUS).

If you have any queries, you may write to NGHelp@nus.edu.sg.

1. Overseas Travel Declaration (OTD)

In view of the Coronavirus Disease 2019 (COVID-19) situation, all incoming students are required to declare their travel plans in the Overseas Travel Declaration (OTD) system before they can proceed with online Registration (Part One).

Do note that the completion of OTD is mandatory for all incoming students.

Access to the OTD system is only available one week after you have accepted offer and uploaded your photo in the NG Online Application Portal (myapplications.nus.edu.sg). Please login to the OTD (Applicants) system (myaces.nus.edu.sg/OverseasTravelDecl/applicantlogin) with your NG Application Number (e.g. N000012345) and Password, selecting Student Category “Non-graduating”.

2. Registration (Part One)

In Registration (Part One), students are to update their personal particulars, agree to abide by policies which form their Acceptance Record; and complete the Authorisation Requirements (nus.edu.sg/registrar/administrative-policies-procedures/non-graduating/acceptance-record).

You are required to complete Registration (Part One) before you can participate in the Module Registration (ModReg) exercise.

To access the Registration System (myregistration.nus.edu.sg), log in with your NG Application Number (e.g. N000012345) and Password, selecting Student Category (Non-graduating). If you have forgotten any of these login credentials, please access the NUS Online Application Portal (myapplications.nus.edu.sg) and click on the appropriate link.

Access to Registration System is only available after you have submitted your travel plans in the Overseas Travel Declaration (OTD) system. The entire registration process consists of a few steps and will take about 15 minutes.

Upon completion of Registration (Part One), you will be issued the following:

![Figure 2: Screenshot of Confirmation Page for Completion of Registration (Part One)](image)

When you click on “View Student ID / PIN / NUSNET ID / NUSNET Password”, you will see the following screen:

![Figure 3: Screenshot of Registration (Part One) for Student ID/PIN/NUSNET ID & Password Page](image)

These are **personal and confidential** information which should not be shared with anyone.

The NUSNET ID and password given here will only be activated **one to two days after** completion of Registration (Part One).

Upon activation, you need to change the default NUSNET password before you can access any NUS online services.

If you have forgotten your password but have not reset it yet, you can access the Registration System ([myregistration.nus.edu.sg](http://myregistration.nus.edu.sg)) before 21 Aug 2020 to retrieve it (see Figure 4).

After 21 Aug 2020, you can seek help by sending an email to ITCare@nus.edu.sg, stating your full name and Student ID (e.g. A1234567B), as well as attach a scanned image of your Student Card.

You can refer to the FAQs here for assistance on password issues.
Figure 4: Screenshot of where to View your Student ID, PIN, NUSNET ID and Password

If you are under 18 years of age at the time of completing Registration (Part One), you must download and print the following forms found at Step 4 (see Figure 4), have your parent/guardian sign the forms, scan and email them to reglinx@nus.edu.sg to complete Registration (Part Two).

- Risk Acknowledgement and Consent – compulsory for all students
- Authorisation of Medical Procedures – compulsory for international students only
- Appointment of Local (Singapore-based) Representative – compulsory for international students only

3. Change NUSNET Password/Access NUS Email

Access to NUS systems will be activated one to two days after completion of Registration (Part One). You are required to change your default NUSNET password via the Password Portal (exchange.nus.edu.sg/passwordportal) before you can access NUS online services such as:

- **Education Records System (EduRec)** ([myedurec.nus.edu.sg](http://myedurec.nus.edu.sg)) This is a single-entry point for students to manage a wide range of student transactions relating to module registration (ModReg), academic, finance and personal information matters.

To access EduRec, you will need your NUSNET ID (e.g. E1234567) and changed NUSNET password. When prompted to sign in with your organisational account, use ‘nusstu’ which is the domain for NUS students, and enter your user ID as e.g. ‘nusstu\NUSNET ID’.

To help new students navigate EduRec, various guides and other useful resources are published at the NUS Student Portal ([myportal.nus.edu.sg/studentportal/eservices/all/myedurec.html](http://myportal.nus.edu.sg/studentportal/eservices/all/myedurec.html)).

- **NUS Email** ([outlook.com/u.nus.edu](http://outlook.com/u.nus.edu)) All students will have an email account at NUS that will be their official point of contact. All communications from the University to students will be via the official email account. As such, you are expected to check this account regularly. You are also expected to be aware of the latest notices/circulars that may be posted on [myPortal@NUS](http://myportal.nus.edu.sg).

- **LumiNUS** ([luminus.nus.edu.sg](http://luminus.nus.edu.sg)) is NUS’s learning management system. You will be able to view your registered modules, access the course materials and get an integrated view of your tasks and deadlines here.

   Your NUSNET account and NUS email will expire a month from the date of cessation of studies. Please retrieve course syllabus from LumiNUS and do a backup copy of the files which you have retained in your student email account, if applicable.

4. Financial Matters

Please refer to [Annex 2](#) for detailed information on payment of NUS Miscellaneous Student Fees and Tuition/Research Fees.
5. Registration (Part Two)

To complete Registration (Part Two), you need to activate your NUS Student Card after obtaining it either by post or at the point of collection.

It is mandatory for all students to make payment online for the Miscellaneous Student Fees (MSFs) before they complete Registration (Part Two). There will be no outstanding charges reflected in your account before 31 Aug 2020. You are to enter the amount payable manually for MSFs in the payment page. Instructions on the fee payment can be found in Annex 2.

5.1 Delivery of the NUS Student Card to Student’s Residence

With the exception of NUS High School students, all students will receive their NUS student card by post. To facilitate this service, please ensure that you have:

(i) Completed Registration (Part One) by the stipulated deadline
(ii) Provided a valid Singapore mailing address during Registration (Part One)

5.2 Collection of NUS Student Card for NUS High School (NUSHS) Students

NUSHS students will collect their NUS student card from the coordinator at NUS High School. Please wait to receive instructions from Ms Celestine Arlando of NUS’s Student Affairs Office regarding the collection of your card.

Note: For students below 18 years old, you are reminded to submit the signed declaration form(s), which can be retrieved from the Registration System, to complete your Registration (Part Two) process.

For students who will turn 18 after registration, you are required to make your re-declaration and amend your Forms. More information will be given to you in due course.

5.3 Activation of NUS Student Card

Upon receipt of your NUS Student Card, you are required to activate it via the Education Records System (EduRec) immediately using your NUSNET ID and password.

Registration (Part Two) is deemed completed only upon activation of your Student Card online.

Please ensure that you see the following screenshot (see Figure 5) for a successful activation. Access to NUS facilities, library and book loans will be activated one day after it is done.

Information for International Students

1. Immigration & Checkpoints Authority of Singapore (ICA) – Student’s Pass

All international students admitted as Non-Graduating students must hold a valid Student’s Pass during the period of study at NUS. Admission is contingent upon successful application of Student’s Pass.

To apply for a Student’s Pass, NUS Registrar’s Office will initiate a registration with ICA on your behalf, following which, you will receive an instructional email to submit the application via the Immigration & Checkpoints Authority (ICA) Student’s Pass Online Application & Registration (SOLAR) System.

If the application is approved, ICA shall grant the student an IPA letter, which is available for printing via ICA SOLAR system (eservices.ica.gov.sg/solar/index.xhtml) under navigation path: Student Main Menu > Print Outcome Letters. For students from a visa-required country (ica.gov.sg/#/visitor/visitor_entryvisa), the IPA letter also serves as a single-entry visa to enter Singapore.

If you are not issued with an IPA letter, you will not be able to complete the formalities for the issuance of Student’s Pass. Therefore, it is important for you to act promptly after receiving the email notification from NUS Registrar’s Office to access the SOLAR system.

If you are eventually not successful in their Student’s Pass application, your admission offer will be withdrawn, and you will not be able to embark on or continue your studies in NUS.

The IPA letter cannot be used in place of the Student’s Pass to study in NUS. Upon receipt of the IPA letter, you are advised to read it carefully and prepare the required documents/items for submission to ICA in person to convert your Social Visit Pass to a Student’s Pass (visitor/studentpass/collect). Please refer to the next section about completing formalities with ICA.

Note: Non-Graduating international students are required to take up at least 12 MCs worth of modules (approximately three modules and includes modules set to ‘audit’) per semester or pursue full-time research in order to qualify as a full-time student and be issued with a Student’s Pass.

1.1 Entry Approval by Ministry of Education (MOE)

In addition to obtaining the Student’s Pass or Student’s Pass In-principle Approval from the ICA, international students will also need to obtain approval from the Ministry of Education (MOE) before they commence their journey to Singapore. Each application will be assessed by MOE on a case-by-case basis, and approval is not guaranteed.

NUS will apply for your entry approval with MOE on your behalf, based on your Overseas Travel Declaration (OTD). Hence, it is important that you declare your travel plans at the OTD system (myaces.nus.edu.sg/OverseasTravelDecl/applicantLogin). You must update your OTD immediately if there are changes, including travel plan cancellations.

Students should not proceed with their trip to Singapore unless they have received the entry approval letter. The MOE entry approval letter, which is valid for two weeks, will be conveyed to your NUS email account separately. Students must produce this approval letter of entry to airline staff upon check-in at the departure airport, and to the immigration officer at the checkpoint upon arrival in Singapore. Students who arrive without the entry approval letter from MOE will not be allowed to clear Singapore immigration, and will be required to fly out of Singapore within 48 hours, at their own cost. Their Student’s Pass may also be rescinded by ICA.

Students who are granted entry into Singapore will be issued with a 14-day Stay-Home Notice (SHN) (ica.gov.sg/covid-19/shn). Prior to arrival, students are to submit their health status and recent travel history, as well as personal particulars and contact details via the SG Arrival Card (SGAC) e-Service (icaeservices.ica.gov.sg/sgarrivalcard).
1.2 Completion of Student’s Pass Formalities

To get your Student’s Pass issued, please make an e-appointment (eservices.ica.gov.sg/ibook) to complete the Student’s Pass formalities at the ICA Building, 4th Floor, Visitor Services Centre (located next to Lavender MRT station) in person. Please refer to the IPA letter for the specific instructions on how to make an e-appointment.

Students are required to prepare and bring the documents/items listed below for submission to ICA. It is your responsibility to go prepared with the necessary documents, pay all fees (processing, issuance and/or Multiple-Journey Visa fees) and complete all the required forms prior to attending the appointment.

Please note that you will need to provide the application ID, e.g. IHL-2020-APP-XXXXXXX in the space provided on Para 7 of the first page. In addition, students will need to provide the following information on the last page of the Terms and Conditions:  

(i) Singapore Residential Address  
If unavailable at the point of submission to ICA, please indicate the address of the interim NUS hostel or other interim accommodation under the Residential Address field.  

(ii) Contact Number  
If unavailable, please provide instead the email address which you frequently check under the Contact Number field.

ADVISORY: As ICA will be enrolling applicants’ iris images, please do not wear coloured, patterned or cosmetic contact lenses. Students are required to remove their glasses/spectacles before capturing of iris images.
1.3 Medical Examination

All international students who applied for **Student’s Pass beyond six months** would have to undergo and pass a medical examination conducted by a qualified medical practitioner either in Singapore or in your home country. You **must** have the completed test results of your medical check **before** you can complete your Student’s Pass formalities at ICA.

You are required to bring along ICA’s prescribed medical report form (Download from ICA SOLAR system ([icaeservices.ica.gov.sg/solar/index.xhtml](https://icaeservices.ica.gov.sg/solar/index.xhtml)) under navigation path: Foreign Student Main Menu > View Application Status) to the medical examination. The endorsed form must be submitted with the relevant laboratory reports. **An official translation of the laboratory reports is required if it is not in the English language.** At the time of submission, the laboratory reports must not be more than three months from the date of issue.

You may also opt to have this medical examination done at the University Health Centre (UHC) ([nus.edu.sg/uhc](http://nus.edu.sg/uhc)). If you choose to do this, you need to note that the results of the various laboratory tests will only be ready for collection after five working days. It will be your responsibility to plan the timing of your medical examination such as to have all necessary documents in good time for your appointment with ICA.

If you are residing in Singapore on any other long-term immigration passes currently, you are required to undergo the medical examination in Singapore, if the medical examination was done more than two years ago.

The issuance of the Student’s Pass is subject to the outcome of a medical examination. Students who fail to fulfill the medical requirements will not be issued with a Student’s Pass and your admission of offer will be withdrawn.

1.4 Enquiries

If you have any queries regarding immigration issues and Student’s Pass matters, you may refer to ICA’s FAQs ([va.ecitizen.gov.sg/cfp/customerpages/ICAexplorefaq.aspx](https://va.ecitizen.gov.sg/cfp/customerpages/ICAexplorefaq.aspx)). Alternatively, you may write to ica_stp1@ica.gov.sg.

2. Housing

Matters relating to on-campus or off-campus housing can be obtained from the Office of Student Affairs (OSA) website ([nus.edu.sg/osa/student-services/hostel-admission/non-graduating](http://nus.edu.sg/osa/student-services/hostel-admission/non-graduating)). If you have enquiries pertaining to housing, you may write to the Hostel Admission Services ([nus.edu.sg/osa/contact](http://nus.edu.sg/osa/contact)).
Financial Matters

Payment of NUS Miscellaneous Student Fees and Tuition/Research Fees

Fees can be paid online via the Education Records System (EduRec). For further instructions, refer to the guide (nus.edu.sg/registrar/docs/info/prospective-students—non-graduating/Instructions-for-epayment.pdf).

Both Exchange and Non-Exchange students are required to pay the Miscellaneous Student Fees (see table below for breakdown) which comprise the Student Services Fee and Health Service Fee.

Miscellaneous Student Fees help meet part of the costs incurred by the University in providing services to the student community. These services include healthcare for students; facilitating student cultural, social and recreational programmes; and maintaining the internal shuttle bus service, IT network and other campus-wide services.

Please note that rates shown here may be subject to changes from time to time.
