Preamble:

The purpose of this Guide is to highlight the activities significant to the incoming undergraduate student for completing the various formalities towards being officially registered as a student of the National University of Singapore (NUS). You may wish to refer also to the following:

- **Registration website** ([nus.edu.sg/registrar/academic-activities/registration](nus.edu.sg/registrar/academic-activities/registration)) for the latest deadlines of various registration-related activities;
- **Office of Student Affairs website** ([nus.edu.sg/osa](nus.edu.sg/osa)) for helpful information on services such as hostel admission and other student administration matters.

If you have any queries, you may write to UGRegistration@nus.edu.sg.

-----------------------------------------------------------------------------------------------------------------------------

1. **Photograph for Student Card**

You are required to submit your photograph within two working days of acceptance of offer of admission. You can do so via the Online Photo Submission System ([myaces.nus.edu.sg/photoVerification/PhotoVerificationNewLoginServlet?hAction=newStudent](myaces.nus.edu.sg/photoVerification/PhotoVerificationNewLoginServlet?hAction=newStudent)). The specifications of the photograph required for your Student Card is available on the Online Photo Submission System website.

It is your responsibility to access this same system again two working days after you have submitted your photograph to check whether it has been approved for use. Resubmission of a new photograph (which meets the specifications) is required if your photograph is not approved.

Please be reminded that late submission of your photograph will delay the processing of your Student Card and completion of Registration formalities.

2. **Pre-Admission Medical Examination**

As an admission condition, all incoming students are required to undergo a medical examination. The University reserves the right to refuse admission to or exclude a student from any particular course of study if they decline to undergo such health examinations or refuse any prescribed tests.

Medical report forms may be downloaded from the UHC's website ([nus.edu.sg/uhc/services/medical-examination/pre-admission/pre-admission-medical-exam](nus.edu.sg/uhc/services/medical-examination/pre-admission/pre-admission-medical-exam)). For enquiries, please write to uhc_health@nus.edu.sg.

The medical examination may be done (i) at the University Health Centre, UHC ([nus.edu.sg/uhc](nus.edu.sg/uhc)); (ii) by students’ own physician in Singapore or (iii) in students’ home country. If students choose to do (ii) or (iii), they will need to submit the completed medical examination form, written in **ENGLISH** to UHC.

In lieu of the Coronavirus Disease 2019 (COVID-19) situation, the resumption of pre-admission medical examination services has been deferred until a later time. Please check UHC’s website for updates on when the medical examination appointment bookings open and information on submission of the completed medical examination form.

For enquiries, please write to uhc_health@nus.edu.sg.

Full-time international students are also required to fulfil an additional medical screening requirements for their Student’s Pass application. For more information, please see **Point 10**.

2.1 **Additional Screening for Students Admitted to Medicine, Dentistry, Nursing, Public Health and Pharmacy**

If you are an undergraduate student entering the field of Medicine, Nursing, Pharmacy or Dentistry, kindly note that there are additional screenings and immunisation requirements. Please refer to your respective Faculty or School for further information and deadlines for such screenings.

Medical examinations for Dentistry students (undergraduate and graduate) are carried out by the Occupational Health Clinic. If you are an incoming Dentistry student, please call +65 6601 1781 / 6516 7333 to schedule an appointment.

### 8. Module Registration

At the beginning of each semester, all students must enroll in the modules they will read during the semester.

Students select their modules through ModReg@EduRec. Please check the latest information at the ModReg website (nus.edu.sg/ModReg).

For international students who may not be able to arrive in Singapore in time for face-to-face lessons, please check with your respective Faculties on whether your modules offer e-learning options (nus.edu.sg/ModReg/docs/UGFac_Contacts.pdf).

### 9. Measures against COVID-19 on Campus

Please visit the Office of Safety, Health & Environment (OSHE)'s website (emergency.nus.edu.sg) for the latest updates on measures against COVID-19 on campus.

The campus is also divided into zones to minimize over-crowding and intermingling, as well as to contain the infection swiftly and efficiently.
Students who stay on campus will be assigned a Study Zone (based on their Faculty/School) and a Residential Zone (based on the location of their hostels). These student residents can purchase food and dine at canteens and food outlets in their Study Zone. They may only purchase food at canteens and food outlets in their Residential Zone and specific/approved canteens near their hostels. While each hostel is within a particular zone, these student residents are allowed to travel to their Study Zone which may not be in their Residential Zone to attend face-to-face lessons/visit laboratories, where required.

10. Information for International Students

10.1 Immigration & Checkpoints Authority (ICA) – Student’s Passes

All full-time international students will require a Student’s Pass issued by the Immigration & Checkpoints Authority (ICA) during their candidature in NUS. Students should be familiar with ICA’s
requirements regarding Student’s Pass matters by checking ICA’s web-published information (ica.gov.sg/sapass/studentpass/) on Student’s Passes for University students. It is important for students to take action promptly when they receive email notification to access the SOLAR system to verify their details, as not doing so will delay the application of the In-Principle Approval (IPA) letter and subsequent NUS registration procedures.

If the application is approved, ICA shall grant the student an IPA letter, which will be available for printing via ICA SOLAR system (eservices.ica.gov.sg/sigsolear/index.xhtml) under navigation path: Student Main Menu > Print Outcome Letters. For students from a visa-required country (ica.gov.sg/#/visitor/visitor_entryvisa), the IPA letter also serves as a single-entry visa to enter Singapore.

If students are not issued with an IPA letter, they would not be able to apply for a Student’s Pass and their admission offer will be withdrawn.

10.2 Entry Approval by Ministry of Education (MOE)

In addition to obtaining the Student’s Pass or Student’s Pass In-principle Approval from the ICA, international students will also need to obtain approval from the Ministry of Education (MOE) before they commence their journey to Singapore. Each application will be assessed by MOE on a case-by-case basis, and approval is not guaranteed.

NUS will apply for your entry approval with MOE on your behalf, based on your Overseas Travel Declaration (OTD). Hence, it is important that you declare your travel plans at the OTD system (myaces.nus.edu.sg/OverseasTravelDecl/applicantLogin). You must update your OTD immediately if there are changes, including travel plan cancellations.

Students should not proceed with their trip to Singapore unless they have received the entry approval letter. The MOE entry approval letter, which is valid for two weeks, will be conveyed to your NUS email account separately. Students must produce this entry approval letter to airline staff upon check-in at the departure airport, and to the immigration officer at the checkpoint upon arrival in Singapore. Students who arrive without the entry approval letter from MOE will not be allowed to clear Singapore immigration, and will be required to fly out of Singapore within 48 hours, at their own cost. Their Student’s Pass may also be rescinded by ICA.

Students who are granted entry into Singapore will be issued with a 14-day Stay-Home Notice (SHN) (ica.gov.sg/covid-19/shn). Prior to arrival, students are to submit their health status and recent travel history, as well as personal particulars and contact details via the SG Arrival Card (SGAC) e-Service (eservices.ica.gov.sg/sigsgarivalcard).

10.3 Medical Examination for Students’ Passes

The issuance of the Student’s Pass is subject to the outcome of the medical examination required by ICA, which includes a HIV test. Students who fail to fulfil the medical requirements will not be issued with a Student’s Pass.

The medical examination and HIV test and can be done in students’ home country or in Singapore. Students may also opt to complete this medical examination together with the Pre-Admission Medical Examination at the University Health Centre (UHC) (nus.edu.sg/uhc). If students choose to do this, they need to note that the results of the various laboratory tests will only be ready for collection after five working days.

The medical report must be completed in English. For more information on the medical examination requirements for Student’s Pass, please check ICA’s website (ica.gov.sg/docs/default-source/ica/files/docs/visitor_services_medicalreport.pdf).

10.4 Issuance of Students’ Passes

More details on the completion of Student’s Pass formalities will be provided in due course.

Meanwhile, students are advised to read the IPA letter carefully and prepare the required documents/items for submission to ICA to convert their social visit pass to a Student’s Pass.

12. **Financial Matters**

12.1 **Tuition Grant**

The Singapore Government provides subsidies for the cost of undergraduate degree programmes at NUS. This subsidy is known as the Tuition Grant. Information on the Tuition Grant is available on the Registrar’s Office website (nus.edu.sg/registrar/administrative-policies-procedures/undergraduate-fees) as well as at Ministry of Education (MOE)’s website ([tgonline.moe.gov.sg](tgonline.moe.gov.sg)). Students who are reading Medicine and Dentistry will separately sign the Tuition Grant Agreement with the Ministry of Health Holdings (MOHH) and the information below is not applicable to you. More details will be sent to you by MOHH in July.

*For those who have applied for admission before 13 October 2017*
Please complete a Tuition Grant Eligibility Declaration Form when doing Registration (Part One). For **Singapore Citizens**, you must print the form and mail it to or submit it via the collection box by **31 August 2020** at:

Office of Financial Aid c/o Office of Admission,

**12.3 Financial Assistance**

The Office of Financial Aid (OFA) within the Office of Admissions administers the various financial assistance schemes available to NUS undergraduates. Financial aid will be offered to eligible applicants who have been assessed to be needy. This will be in the form of a financial aid package which is designed based on the recognition that an education in the University is a partnership involving the student, his/her family and the University. The financial aid package that is offered may comprise a combination of loans, bursaries and work-study assistance, depending on nationality and extent of the student’s level of neediness which is assessed based on the declared family income and mitigating factors, if any. Please visit OFA’s website ([nus.edu.sg/oam/financial-aid](nus.edu.sg/oam/financial-aid)) for more details.

**Disbursement of Financial Aid Funds**
Disbursement of financial aid funds is subject to students’ fulfilment of all the loan and/or bursary requirements. 13. Updating Personal Particulars/Forgot Password

13.1 Updating Personal Particulars

Throughout their candidature, students are responsible for keeping their personal particulars (including citizenship, official/legal name*, identity card/passport details, permanent and correspondence contact details, and next-of-kin details) updated in the University’s records in a timely manner (nus.edu.sg/registrar/administrative-policies-procedures/undergraduate/responsibility-for-notices-circulars-and-updates-of-personal-particulars). This means that students must notify the University within 5 working days of the effective date of change of the affected personal particulars. The University will not be accountable for delayed or lost mail due to incorrect or obsolete students’ addresses and contacts. Students may check their particulars or amend their contact details via the NUS Education Records System (myedurec.nus.edu.sg).

*Please note that the Official Name in the University’s Education Records System will be printed on the degree scroll and academic transcript. If students have changed their name during their course of study but failed to inform the University in a timely manner and they have already been conferred your degree, then their name as presently reflected in our official records, will be inscribed on their degree scroll. No further requests for name changes will be entertained.
