1. **Photograph for Student Card**

You are required to submit your photograph within two working days of acceptance of offer of admission. You can do so via the Online Photo Submission System ([myaces.nus.edu.sg/photoVerification/PhotoVerificationNewLoginServlet?hAction=newStudent](myaces.nus.edu.sg/photoVerification/PhotoVerificationNewLoginServlet?hAction=newStudent)). The specifications of the photograph required for your Student Card is available on the Online Photo Submission System website.

It is your responsibility to access this same system again two working days after you have submitted your photograph to check whether it has been approved for use. Resubmission of a new photograph (which meets the specifications) is required if your photo is not approved.

Please be reminded that late submission of your photograph will delay the processing of your Student Card and completion of Registration formalities.

2. **Pre-Admission Medical Examination**

As an admission condition, all incoming students are required to undergo a medical examination. The University reserves the right to refuse admission to or exclude a student from any particular course of study if they decline to undergo such health examinations or refuse any prescribed tests.

The medical examination may be done (i) by students' own physician in Singapore; (ii) in students' home country or (iii) at the University Health Centre, UHC ([nus.edu.sg/uhc](nus.edu.sg/uhc)). If students choose to do (i) or (ii), they will need to submit the completed prescribed medical report form and the original laboratory and chest x-ray reports, written in **ENGLISH**. If students have done a similar health check not more than six months prior, they must still complete and submit Part 1 of the prescribed medical report form, together with documentary proof of the earlier medical examination, to UHC by the stipulated deadline.

Medical report forms may be downloaded from, and appointments made at, the UHC's website ([nus.edu.sg/uhc/services/medical-examination/pre-admission/pre-admission-medical-exam](nus.edu.sg/uhc/services/medical-examination/pre-admission/pre-admission-medical-exam)). For enquiries, please write to uhc_health@nus.edu.sg.

Full-time international students are also required to fulfil an additional medical screening requirements for their Student's Pass application. For more information, please see **Point 9**.

2.1 **Additional Screening for Students Admitted to Medicine, Dentistry, Nursing, Public Health and Pharmacy**

If you are an undergraduate student entering the field of Medicine, Nursing, Pharmacy or Dentistry, kindly note that there are additional screenings and immunisation requirements. Please refer to your respective Faculty or School for further information and deadlines for such screenings.

Medical examinations for Dentistry students (undergraduate and graduate) are carried out by the Occupational Health Clinic. If you are an incoming Dentistry student, please call +65 6601 1781 / 6516 7333 to schedule an appointment.

3. **Registration (Part One)**

The purpose of this online survey study is to learn more about what personal and situational factors predict effective learning, resilience and well-being as students become engaged across their first to fourth year of studies in university.

The results of this study will provide valuable information that may potentially benefit the educational process for future incoming classes at NUS and universities around the globe.

Please complete the survey at (nusentrysurvey.com) by registration day. If you have any queries on the survey, please contact Prof Robert Kamei alset.nus@nus.edu.sg.

8. Module Registration

At the beginning of each semester, all students must enroll in the modules they will read during the semester.

Students select their modules through ModReg@EduRec. Please check the latest information at the ModReg website (nus.edu.sg/ModReg).

9. Information for International Students

9.1 Immigration & Checkpoints Authority (ICA) – Student’s Passes

All full-time international students will require a Student’s Pass issued by the Immigration & Checkpoints Authority (ICA) during their candidature in NUS. Students should be familiar with ICA’s requirements regarding Student’s Pass matters by checking ICA’s web-published information (ica.gov.sg/pass/studentpass/ihl) on Student’s Passes for University students. It is important for students to take action promptly when they receive email notification to access the SOLAR system to verify their details, as not doing so will delay the application of the In-Principle Approval (IPA) letter and subsequent NUS registration procedures.

If the application is approved, ICA shall grant the student an IPA letter, which will be available for printing via ICA SOLAR system (eservices.ica.gov.sg/solar/index.xhtml) under navigation path: Student Main Menu > Print Outcome Letters. For students from a visa-required country (ica.gov.sg/#/visitor/visitor_entryvisa), the IPA letter also serves as a single-entry visa to enter Singapore.

If students are not issued with an IPA letter, they would not be able to apply for a Student’s Pass and their admission offer will be withdrawn.

9.2 Medical Examination for Students’ Passes

The issuance of the Student’s Pass is subject to the outcome of the medical examination required by ICA, which includes a HIV test. Students who fail to fulfil the medical requirements will not be issued with a Student’s Pass.

The medical examination and HIV test and can be done in students’ home country or in Singapore. Students may also opt to complete this medical examination together with the Pre-Admission Medical Examination at the University Health Centre (UHC) (nus.edu.sg/uhc). If students choose to do this, they need to note that the results of the various laboratory tests will only be ready for collection after five working days.
The medical report must be completed in English. For more information on the medical examination requirements for Student’s Pass, please check ICA’s website (ica.gov.sg/docs/default-source/ica/files/docs/visitor_services_medicalreport.pdf).

9.3 Issuance of Students’ Passes

ICA has arranged an offsite enrolment exercise for the issuance of Student’s Passes. Students are required to report for offsite enrolment according to the schedule stipulated in their appointment letter.

Students are advised to read the IPA letter carefully and prepare the required documents/items for submission to ICA to convert their social visit pass to a Student’s Pass. Please arrange the documents/items in the following order, with item 1 on top:

<table>

Financial aid will be offered to eligible applicants who have been assessed to be needy. This will be in the form of a financial aid package which is designed based on the recognition that an education in the University is a partnership involving the student, his/her family and the University. The financial aid package that is offered may comprise a combination of loans, bursaries and work-study assistance, depending on nationality and extent of the student’s level of neediness which is assessed based on the declared family income and mitigating factors, if any. Please visit OFA’s website (nus.edu.sg/oam/financial-aid) for more details.

Disbursement of Financial Aid Funds
Disbursement of financial aid funds is subject to students’ fulfilment of all the loan and/or bursary requirements. The financial aid funds will first be used to clear all outstanding tuition fees, miscellaneous student fees and hostel fees (if applicable) before any balance is credited to students’ bank account. Students must update their Receiving Bank Account Details and Payment Address via the NUS Education Records System (myedurec.nus.edu.sg) for any balance to be credited to their bank account. More information can be found at the FAQ section of the Office of Finance website (nus.edu.sg/finance/FAQStudentFinanceMatters.html). For queries on disbursement of financial aid funds, you may contact the Office of Financial Aid at 6516 2870 or submit your query at their enquiry portal (askadmissions.nus.edu.sg).

This means that students must notify the University within 5 working days of the effective date of change of the affected personal particulars. The University will not be accountable for delayed or lost mail due to incorrect or obsolete students’ addresses and contacts. Students may check their particulars or amend their contact details via the NUS Education Records System (myedurec.nus.edu.sg).

*Please note that the Official Name in the University’s Education Records System will be printed on the degree scroll and academic transcript. No further requests for name changes will be entertained.

12.2 Forgot Password

- Students who have forgotten their NUSNET password but have not changed it yet can access the Registration System (myregistration.nus.edu.sg) to retrieve their password.
