Information for International Students

1. Orientation Briefing for International Students by Office of Student Affairs (OSA)

This will be held on:
Date: 7 Jan 2020
Time: 10 am to 12 noon
Venue: Lecture Theatre 27 & 28 (refer to map here)

2. Immigration & Checkpoints Authority of Singapore (ICA) – Student’s Pass

All international students admitted as Non-Graduating students must have a valid Student’s Pass during the period of study at NUS. Admission is contingent upon successful application of Student’s Pass. NUS Registrar’s Office will facilitate your Student’s Pass application via the Immigration & Checkpoints Authority (ICA) Student’s Pass Online Application & Registration (SOLAR) System.

Following that, you will be informed by NUS Registrar’s Office, via email, to verify and confirm your details via SOLAR system before submitting the Student’s Pass application for processing.

If you are eventually not successful in your Student’s Pass application, your admission offer will be withdrawn and you will not be able to embark on or continue your studies at NUS.

If the application is approved, ICA shall grant the student an IPA letter, which will be available for printing via ICA SOLAR system (eservices.ica.gov.sg/solar/index.xhtml) under navigation path: Student Main Menu > Print Outcome Letters. For students from a visa-required country (ica.gov.sg/#/visitor/visitor_entryvisa), the IPA letter also serves as a single-entry visa to enter Singapore.

If you are not issued with an IPA letter, you would not be able to complete the formalities for the Student’s Pass and your admission offer will be withdrawn. Therefore, it is important for you to act promptly when you receive email notification from NUS Registrar’s Office to access the SOLAR system to verify your details.

Upon receipt of the IPA letter, you are advised to read the IPA letter carefully and prepare the required documents/items ready for submission to ICA to convert your Social Visit Pass to a Student’s Pass (visitor/studentpass/collect).

The IPA letter should not be used in place of the Student’s Pass to study in NUS. All international students would have to complete formalities with ICA in order to obtain the Student’s Pass. Please refer to the next section about completing formalities with ICA.

Non-Graduating international students are required to take up at least 12 MCs worth of modules (approximately three modules) per semester or pursue full-time research in order to qualify as a full-time student and be issued with a Student’s Pass.

2.1. ICA’s Offsite Enrolment Formalities for Issuance of Student’s Pass

ICA has arranged for an offsite enrolment for the issuance of Student’s Pass on the dates below.

Enrolment sessions:
Date/Time : 9 Jan 2020 (2.30 pm – 3.30 pm)
10 Jan 2020 (8.30 am – 11.30 am and 1.30 pm – 3.30 pm)
Venue : UTown Seminar Rooms 1 to 4, Level 2, Town Plaza (refer to map here)

Limited serialised appointment letters will be given out on the registration day itself. You are required to have this serialised appointment letter in order to complete formalities for your Student’s Pass with ICA at UTown Seminar Room 2 (above the Registration Centre) at the stipulated date and time. Please do not collect the letter if:
- you are unable to attend the offsite enrolment session; or
- you are from visa-required country and have plans to travel out of Singapore before the Student’s Pass issuance date on 17 January 2020.
In such cases, please make an e-appointment ([https://eservices.ica.gov.sg/ibook/index.do](https://eservices.ica.gov.sg/ibook/index.do)) to complete the Student’s Pass formalities at the ICA Building, 4th Floor, Visitor Services Centre (located next to Lavender MRT station). Please refer to the IPA letter for the specific instructions on how to make an e-appointment.

Students are required to prepare and bring the documents/items listed below for verification and/or submission to ICA, during the Offsite Student’s Pass Enrolment Session. It is your responsibility to come prepared with the necessary documents, pay all fees (processing, issuance and/or Multiple-Journey Visa fees) and duly complete all the required forms prior to attending the offsite enrolment session. This is to facilitate the completion of formalities during your scheduled appointment in a timely manner. Please follow all instructions issued in ICA’s communications to you, in addition to familiarising yourself with ICA’s requirements regarding Student’s Pass matters, the relevant e-services and forms:

**Figure 7: Acknowledgement in Terms & Conditions of Student’s Pass Form**

2.2. **Medical Examination**

All international students who applied for **Student’s Pass beyond six months** would have to...
undergo and pass a medical examination conducted by a qualified medical practitioner either in Singapore or in your home country. You must have the completed test results of your medical check **before** the Offsite Enrolment Exercise.

You are required to bring along ICA’s prescribed medical report form ([ica.gov.sg/docs/default-source/ica/files/docs/visitor_services_medicalreport.pdf](http://ica.gov.sg/docs/default-source/ica/files/docs/visitor_services_medicalreport.pdf)) to the medical examination. The endorsed form must be submitted with the relevant laboratory reports. An official translation of the laboratory reports is required if it is not in the English language. At the time of submission, the laboratory reports must not be more than three months from the date of issue.

You may also opt to have this medical examination done at the University Health Centre (UHC) ([nus.edu.sg/uhc](http://nus.edu.sg/uhc)). If you choose to do this, you need to note that the results of the various laboratory tests will only be ready for collection after five working days. It will be your responsibility to plan the timing of your medical examination such as to have all necessary documents in good time for your appointment with ICA.

If you are residing in Singapore on any other long term immigration passes currently, you are required to undergo the medical examination in Singapore, if the medical examination was done more than two years ago.

The issuance of the Student’s Pass is subject to the outcome of a medical examination. Students who fail to fulfill the medical requirements will not be issued with a Student’s Pass and your admission of offer will be withdrawn.

### 2.3. Enquiries

If you have any queries regarding immigration issues and Student’s Pass matters, you may wish to refer to ICA’s FAQs ([va.ecitizen.gov.sg/cfp/customerpages/ICAexplorefaq.aspx](http://va.ecitizen.gov.sg/cfp/customerpages/ICAexplorefaq.aspx)). Alternatively, you may wish to write to ica_stp1@ica.gov.sg.
