Annex 1 - World Health Day 2018 Tagline Contest

For some, a healthy life is defined by living a disease-free life. For others, it is finding that right balance between self, home and work. For many, it is not just about diet and exercise but making smart healthy choices for today and the future.

So, what is healthy living to you?

We want to hear from you! Share with us what living a healthy lifestyle mean to you with just a tagline!
