

## APPENDIX. Online Questionnaire

Please answer the questions below to your best ability. This is anonymous—your name is not required. As spoken and indicated in the consent form, your participation in this is optional and it does not affect your grades. I would really appreciate your participation as this final step would help in my research process.

1. Could you explain what **Goal Setting** is?
2. How do you use **Goal Setting** for learning academic English?
3. Do you use **Goal Setting** for other purposes?
4. Why or why not?
5. How do you feel about **writing Reflections** on your goals?
6. How do you feel about **presenting vocabulary** and sharing about your experience encountering the new words?
7. How do you respond when your English language tutor uses goal setting, reflection or presenting vocabulary?
