Acknowledgements

We would like to express our thanks to Chng Huang Hoon, Director of the Centre for the Development of Teaching and Learning of the National University of Singapore (NUS), for her encouragement to take up this project.

Thanks too to Deng Xudong, Interim Director of the Centre for English Language Communication (CELC), NUS, for his guidance in setting it up and Wu Siew Mei, current Director of CELC, for her ongoing support and encouragement.

Thanks are also due to our colleagues in CELC, Susan Nerney, Jessie Teng and Wong Soon Fen for their careful scrutiny of the initial manuscript.

Without the expertise and super efficiency of Teri Tan, who helped us design the book, it would never have been produced on time.
