

CFG1003 & CFG1004 enrolment FAQs AY 23/24

1. Are there any assessments for CFG1003?

There are no assessments for CFG1003. CS grade is awarded if the interactive e-Learning activities are completed.

2. Can I enrol in the courses if I am going on SEP or Internship overseas?

You may not be able to enrol in the courses as being overseas usually restricts you from using Canvas which is how the module will be delivered. Check with your faculty if you will still have access to Canvas during your exchange / overseas internship. If you will not have access to Canvas, do not enrol in the module as you would not be able to complete module requirements.

3. Is it possible to enrol in CFG1003 and CFG1004 in the same semester?

Yes, CFG1003 is a co-requisite for CFG1004. You can either enrol in ONLY CFG1003 or you can enrol in CFG1003 AND CFG1004.

4. Is it possible to enrol in CFG1004 if I haven't completed CFG1003?

CFG1003 is a co-requisite for CFG1004. If you wish to enrol in CFG1004 and have not completed CFG1003 in a prior semester, you must also enrol in CFG1003.

4. Can I take the courses whilst I am on an internship / industry attachment?

As a module host, we do not put any restrictions on students who are doing an internship / industry attachment as long as they have the approval to do so from their faculty. Please seek your faculty's approval to enrol in the module.

If your faculty requires approval from CFG to enrol in this module, please write to us at: cfg_financialwb@nus.edu.sg

5. What is the difference between CFG1003& CFG1004 and the post-graduate version of the courses?

In the postgraduate version of the courses, no units are awarded for successful completion of the courses and there are no compulsory assignments.
