

## **CFG1003 & CFG1004 Enrolment FAQs**

### **1. Are there any assessments for CFG1003?**

There are no assessments for CFG1003.

### **2. Can I enrol in the courses if I am going on SEP or Internship overseas?**

You cannot enrol in the courses as being overseas usually restricts you from using Canvas which is how the course will be delivered.

### **3. Is it possible to enrol in CFG1003 and CFG1004 in the same semester?**

Yes.

### **4. Is it possible to enrol in CFG1004 if I haven't completed CFG1003?**

Yes.

### **5. Can I take the courses whilst I am on an internship / industry attachment?**

As a course host, we do not put any restriction on students who are doing an internship / industry attachment as long as they have the approval to do so from their faculty. Please seek your faculty's approval to enrol in the course. If your faculty requires approval from CFG to enrol in this course, please write to us at: [financialreadiness@nus.edu.sg](mailto:financialreadiness@nus.edu.sg)

### **6. What is the difference between CFG1003 & CFG1004 and the post-graduate version of the courses?**

In the postgraduate version of the courses, no units are awarded for successful completion of the courses and there are no compulsory assignments.
