CFG2002I/T
Global Industry Insights
Programme Details

CFG2002I/T Global Industry Insights

This module is conducted over 1 week of seminars & company visits with an option to visit an emerging economy. Through company visits, networking sessions and various assessments, you will learn what emerging economies are, the importance of overseas internship experience, and foreign workplace knowledge and skills. Furthermore, you will acquire the first-hand experience of learning about the unique characteristics of the different types of firms, and the latest trends in the industries.

In this run, you could choose to travel either to Jakarta, Indonesia or Bangkok, Thailand.

Modular Credits: 2MC

Assessment and Grading Basis: 100% CA, CS/CU

Pre-requisites: NUS undergraduates who have completed CFG1002 Career Catalyst

Schedule: 4 – 10 December 2022

Mode of Enrolment:
Submit your registration here before **21 September 2022 (Wed)**, to be considered for either CFG2002T or CFG2002I. There are limited spots available (max of 30 students per country) and you are required to tell us (in 250 words) in your submission, why you are interested in this particular market/country.
Learning Objective

CFG2002I/T Global Industry Insights

- Recognise the **business and economic opportunities in the emerging economies** and the importance of overseas internships in offering access to a wider repertoire of opportunities and career pathways.

- **Gain cross-cultural understanding of the foreign workplace and the skills** that are relevant in the professional business settings.

- Demonstrate an **understanding of the interconnectedness of Singapore industry landscape and that of the emerging economy.**

- Acquire first-hand experience of **learning about the start-ups, established companies and multinational firms in an emerging economy.**

- Understand the **latest trends across various industries** that are complementary to the different undergraduate majors.

- **Learn and apply basic business concepts and skills** that are associated with the different aspects of a business.

The Programme Fee is estimated to be between **S$1,100 to $1,300**, however CFG will provide funding support of **S$1,000** for eligible students. In addition, students on Financial Aid may register the usage of the [Opportunity Enhancement Grant (OEG)](https://example.com) for this module. Please approach the [Office of Financial Aid](https://example.com) for more details.

Beyond the Programme Fee, you should prepare and have available a minimum of S$250 to S$350 for your own personal expenditure (souvenirs, shopping, meals, etc) during the trip.

**Programme Fees include:**
- Airflight has been pre-arranged
- Accommodation at 4-star hotel included
- Majority of the meals are provided
- In-local transport to company visits and events is inclusive
- All programme activities are compulsory
