SP2401

THIS 6-WEEK COURSE CONSISTS OF

SEMINARS AND PANEL DISCUSSION BY INDUSTRY PARTNERS

Meet with various life sciences, bio-pharma, manufacturing industries leaders to glean valuable insights on business practices, corporate cultures and evolving trends

Participating partners: Givaudan, Ferrero, Haleon and many more.

CAREER PREPARATORY WORKSHOP

Take part in a critical skill workshop and start your career preparation. The workshop will cover topics such as industry overview, career planning, and networking skills - which are essential for the workplace.

EMBARK ON COMPANY VISITS

The best way to learn about a company is to go directly to them. You will embark on 2 physical visits with interactive formats to see the company's operations first-hand.

Participating partners: Nestle, ThermoFisher Scientific and many more to come.

NETWORKING EVENT TO ENGAGE WITH NUS ALUMNI AND INDUSTRY EXPERTS

Apply your newly attained networking skills by networking with various NUS alumni. Understand their career stories and the industries they are from.

WHAT OUR STUDENTS SAY

A lot of insights into the different industries that are in Singapore. Good opportunity to gain internship experience and industrial knowledge.

The company visits were very insightful and the industry seminars provided good information about different industries, allowing students to network with professionals.

There was a lot of useful and relevant advice and lessons provided for us students to be more career-ready.
