

## Is The Job Opportunity Right For Me?

### Career Goals

- ◆ Does this role fit within your long-term career goals or could it be a stepping stone to reach them?

### Future Prospects

- ◆ What other opportunities would be open to you after completing 1-2 years in this role?

### Working Conditions

- ◆ What are the physical conditions of the role and work environment?
- ◆ Are you comfortable working shifts if the role requires it?

### Financial Needs

- ◆ How much money do I need to support yourself?
- ◆ After calculating your financial needs, does the salary meet your requirements?

### Development

- ◆ Does the role offer rotations to experience different areas of the business?
- ◆ Does it offer international exposure?
- ◆ What training opportunities are there?

### Company Culture

- ◆ What is the company culture like and how does this fit with your personality and working style?
- ◆ Do you work best independently or as part of a team?
- ◆ Do you thrive in a fast-paced or steady-paced environment?

### Colleagues

- ◆ Could you see yourself working well with the boss and team?
- ◆ Did you detect natural rapport when you were interviewed?

### Starting Salary

- ◆ Is the salary in line with the market rate for this type of role?
- ◆ Refer to **trusted salary guides** to assess this.

### Earning Potential

- ◆ Starting salary is not everything. Some jobs may offer a lower-than-average starting salary but could offer higher earning potential in the long term.
- ◆ Refer to **trusted salary guides** to see the typical salary progression within functions and industries.

**Feeling more confident about what to do? Remember, no job is perfect. Trust yourself and make a choice!**
