

## Sail Startup Showcase and IDMI Poster Day 2016

On behalf of IDMI, we want to thank all corporate/VCs who joined us at our SAIL Startup Showcase and IDMI Poster Day event on 26 October 2016. A job well-done to all four teams who pitched during the session. Additionally, the 7 startup demos and the 12 different IDMI technologies did a splendid job featuring their best of what they had! This is the beginning & continuation of cutting-edge technologies that serves to benefit the businesses and enterprises in Singapore. Donovan Bailey once said "Follow your passion, be prepared to work hard and sacrifice and above all, don't let anyone limit your dreams".
