ACCOMMODATION
Academic Hostel (academichostel.com) will book a limited number of rooms for exchange students, who shall apply and pay the deposit according to instructions given after application deadline. First come, first served.

LIVING EXPENSES
Tallinn offers a great value for your money; compared to many other old EU countries. A typical TalTech student spends 330 EUR for accommodation per month, and 350 EUR for food per month. Usually students enjoy a comfortable life with a monthly budget of 850 EUR. Each student shall determine his or her own budget based on individual lifestyle.

ORIENTATION DAYS
A week before the semester begins, TalTech organises Orientation Days for new students and gives information about academics and practical matter, TalTech Library, the Sports Centre, and possibilities of spending free time in Estonia.

ESN TALTECH INTERNATIONAL CLUB
TalTech IC tutors are open-minded, friendly and helpful. They are young people who are prepared to assist foreign students.

ESN TALLINN
ESN Tallinn is a non-profit organisation that organises a variety of social events for all Erasmus students studying in Tallinn: esn.ee/tallinn/

TalTech – Tallinn University of Technology
TalTechUniversity
TallinnTech
TALLINN UNIVERSITY OF TECHNOLOGY (TaiTech)

- Public university with 102 years of strong academic background.
- Second largest university in Estonia with about 10,300 students from over 100 countries.
- The flagship of Estonian Engineering and IT education and research where higher education can be acquired at all levels in the fields of engineering and technology, ICT, economics, natural sciences and maritime affairs.
- Best research library in engineering and business fields in Estonia.
- Award-winning modern campus.

DEGREE PROGRAMMES

- TaiTech offers a wide variety of fully accredited degree programmes, in both classical and interdisciplinary fields of modern technology and social sciences.
- Exchange students can choose their subjects from the offer prepared from these programs.
- Project writing is only possible upon prior individual agreement with a supervisor at TaiTech.
- TaiTech is using ECTS credit system.
