

INTERNATIONAL RESEARCH ATTACHMENT PROGRAMME (i-RAP)
IMPORTANT NOTE

Before applying for any research attachment programme, read the [GRO website](#) for important information on:

- General Eligibility Requirements and Application Process
- Visa Application, Travel Advisories and Student Insurance

ETH Zurich Student Summer Research Fellowship 2020

Host University Website	https://inf.ethz.ch/studies/summer-research-fellowship.html
Programme Location & Dates	ETH Zurich 1 July to 31 August 2020 Please note that the time and duration of the fellowship is fixed to cover the full two months of July and August.
Application Deadline	15 December 2019 at 12 noon (Central European Time)

Information accurate as of 7 November 2019

ESTIMATED COST OF PARTICIPATION		
1	Programme Fee	Fellows at ETH Zurich will receive a monthly allowance of about CHF 1750 to cover housing and living expenses. Travel and visa expenses will be covered as well. Students can claim the travel costs against receipts at the beginning of the program.
2	Projected Expenditure	Please take note that there may be additional expenses which you have to pay for visa (if applicable), flight, food and your leisure activity while on i-RAP.

PROGRAMME DETAILS		
4	Academic Content	Fellows will pursue a research project that aligns with a chosen area of their interest as part of a research group in the department of Computer Science. Students will be assigned to a group in an area of your choice. Please refer to the list of research areas .
5	Eligibility Requirements	The programme is highly competitive as ETH Zurich offers very limited places. NUS' generic eligibility requirements apply, please see GRO website for details.
6	Accommodation	Affordable housing during the research stay will be organized, once a candidate is accepted into the programme.
7	Application Procedure at NUS	Please apply via EduRec and the host university's website concurrently . You must accept both EduRec offer as well as the host university offer to confirm your participation in this programme. With an official application through EduRec, you are covered by the NUS Travel Blanket Insurance. Besides, GRO can also provide you with supporting letters for

		visa application and NS deferment (for NSmen). Read the step-by-step guide which we have prepared for you on GRO's web .
8	Application Procedure at Host University	<p>Prior to starting your application please read the "How to apply" information on the programme website and prepare all required documents: https://www.inf.ethz.ch/studies/summer-research-fellowship</p> <p>To apply you need to register with SiROP. Use "Register" in the menu (https://sirop.org/app/register). Try to find NUS in the list provided. If your university is not in the list create an account using an email address and password.</p> <p>After logging in you can return to the SiROP page and you will find the button "Apply now" at the top.</p>
9	Confirmation of participation	<p>You will be informed by the host university via email about your acceptance or rejection.</p> <p>You have to accept EduRec offer as well as the host university offer to confirm your participation in this programme.</p> <p>Please read the cancellation policy of this programme before accepting and paying for the programme.</p>
10	Module Mapping	<p>All mapping requests are subjected to approval by the Faculties/Departments.</p> <p>If you are interested in obtaining credits, you can start the module mapping process after you have accepted the offer for the programme via EduRec.</p> <p>Students may map up to a maximum of 10 MCs for each Summer Programme. Over the course of study in NUS, students may map up to a total of 12 MCs for involvement in summer programme. Beyond 12MCs, NUS Special Term tuition fees will apply, in addition to Summer/Winter Programme fees paid to the host university. For details, please read the information on Registrar's Office website.</p>

ADDITIONAL INFORMATION		
12	Visa Application	<p>Depending on your nationality, you need a visa to travel to Switzerland. You may find information about the visa requirement on the Schengen visa info website. All visa procedures remain in the participant's responsibility and must be arranged prior to arriving in Geneva.</p> <p>Participants will be provided with an email from the ETH Zurich confirming their admission into the programme. ETH Zurich will also provide information regarding visa applications (where required).</p> <p>Useful links:</p> <ul style="list-style-type: none"> • Overview of visa provisions according to nationality
