5	Eligibility Requirements	<p>NUS' generic eligibility requirements apply, please see GRO website for details.</p> <p>Science Tokyo Summer Program's requirements: Students enrolled in a regular degree program at Science Tokyo's overseas partner institutions, who will be second-year undergraduate students or above at the time of participation, or master's students.</p>	
6	Accommodation	<p>The program office will introduce shared houses, etc., but participants must secure accommodation themselves and bear the related costs. Accommodation fees cost around JPY100,000-150,000 for 4 weeks (to be paid directly to the accommodation management)</p>	
7	Application Procedure	<ol style="list-style-type: none"> 1. Proceed to apply in EduRec by 15 January 2026. 2. Selected applicants will be nominated by GRO to Science Tokyo. 3. Selected applicants will be informed through email. After receiving NUS's nomination, Science Tokyo will directly contact the selected students with instructions on how to complete their application. The student's application deadline is January 30, 2026 4. Final acceptance to the summer research programme is decided by the respective host universities. 	
8	Course Mapping	<p>Students interested in transferring units can start the course mapping process after applying and accepting the offer for the programme in EduRec. Course mapping requests are subjected to approval from the Faculties. Click here for a step-by-step guide on applying for course mapping.</p> <p>Please also note the following: Students may map up to a maximum of 10 units for each Summer Programme and up to a maximum of 5 units for each Winter Programme. Course mapping will be subject to approval from the respective Faculties/Schools.</p> <p>A total of 12 units from a maximum of 2 overseas summer/winter and research programmes can be mapped without having to pay NUS tuition. Additional units mapped will be subjected to Special Term fees. For details, visit the Office of the University Registrar's website.</p>	
ADDITIONAL INFORMATION			
9	Visa Application	<p>It is the student's responsibility to ensure they obtain a valid visa (if required) before making any travel arrangements for their programme. Students are encouraged to prepare and apply for a visa as early as possible (if required), as obtaining a visa can be time-consuming.</p>	

		If you require a visa to visit Japan, please apply via the Embassy of Japan in Singapore website .
10	Travel Advisories	Visit the MFA website for travel advisories on various countries from the Singapore government.
11	Student Insurance	<p>NUS Student Travel Insurance is provided for your participation in this programme. Should you require a certificate of insurance, you may request it from the insurer directly following the instructions detailed in: https://myportal.nus.edu.sg/studentportal/student-insurance/all/. (Log in using your NUSNET ID and password.)</p> <p>Students are responsible for ensuring they have sufficient travel insurance coverage for the full duration of their trip, including travel days. Please review your insurance coverage to ensure it meets your needs. Students may purchase additional health and/or travel insurance from their preferred provider.</p> <p>Additionally, as participants will engage in experiments and training during their stay, they must purchase separate insurance provided by Science Tokyo to cover these activities.</p>
12	Contact Information	<p>Questions about the programme? Contact the host universities at: summer.program@adm.isct.ac.jp</p> <p>Questions specific to NUS Global? Contact us at: global@nus.edu.sg</p>
