PROGRAMME DETAILS

3	Academic Content	This course is made for students who are intrigued by international law or marvel at its day-to-day interactions with international politics, affairs and business. This is the opportunity for such learners to get a crash course to introduce them to this fast moving, intellectually thrilling and profoundly humane field of the law.
---	-------------------------	---

		<p>The course is shaped so as to bring out the best of current issues in international law, while remaining accessible to non-specialists and seeking to broach the main principles of “International Law 101”, so as to allow enthusiasts to go further.</p> <p>At the end of this course, participants will have a general understanding of some of the cutting-edge issues in international law today. This will allow them to either orient their future studies or refresh and extend existing knowledge.</p> <p>Participants will receive a certificate of completion of the course (if they satisfy attendance) and with a transcript of records if ECTS credit points and/or a grade are needed. It is the participant’s responsibility to verify the validity of the course and validate it at their home university.</p> <p>Please refer here for more details: https://www.unige.ch/genevasummerschools/programme/courses/international-law-international-humanitarian-law</p>
