PROGRAMME DETAILS

2	Academic Content	<p>Each online summer school course taken at UZH Summer School is worth 6 ECTS credits. Students should refer to the website for the latest list of courses available and its descriptions.</p> <p>Stability, universality, responsibility and excellence – these are the four cornerstones of Swiss banking. These values are the foundation of the success of the Swiss financial center. Today, Switzerland is the leader in cross-border asset management – 27.5% of cross-border assets managed around the world are managed in Switzerland.</p> <p>However, it is important to keep up with the most recent trends and developments that are promising for the future. The Swiss banks will on the one hand continue to orientate themselves along the four cornerstones. On the other hand it will be essential to take recent developments as FinTech and Sustainability in account in</p>

INTERNATIONAL SUMMER/WINTER PROGRAMMES (i-SP)

		<p>order to stay competitive in the long run. Of course, we will also discuss the impact of the current global health situation on the financial markets.</p> <p>Participating in this online summer school will not only allow you to learn theoretical aspects about finance, but also to interact with practitioners and experts from academia. A unique opportunity to expand your network!</p> <p>The programme is coordinated by the Department of Banking and Finance at the University of Zurich, with various distinguished lecturers.</p> <p>During the online course, you will:</p> <ul style="list-style-type: none"> • Get to know the past, present and future development of the Swiss financial system and the wealth management in Switzerland. • Enhance your knowledge in macroeconomics and finance (financial instruments, asset classes, etc.). • Learn from scientists and people from the practice about the most recent and promising trends in FinTech and Sustainable Finance. • Apply your gained knowledge within a digital simulation. <p>This summer school programme offers a mix of podcasts/ pre-recorded and daily (Monday – Friday) interactive live classes. Students are welcome to join their social activities on weekends.</p> <p>Beside interactive live sessions (approx. 4 hours/day) and watching podcasts, participants will also work in groups. The expected workload for this summer school program is approx. 30 hours/week.</p> <p>Instructions and a reading list will be sent by the end of May to all enrolled students.</p>
3	<p>Eligibility Requirements</p>	<p>NUS’ generic eligibility requirements apply, please see GRO website for details.</p> <p>UZH Summer School encourages students who fulfilled the following requirements to apply for the programme :</p> <ul style="list-style-type: none"> • Have good grades in the undergraduate studies • Completed their first year of study • This course is open to students from all subject areas • Applicants must possess a sufficient command of English • Prior knowledge in finance is not required, but a basic understanding of economics and an interest in statistics are desirable
4	<p>Application Procedure</p>	<p>You are REQUIRED TO apply via NUS’ EduRec-GE AND the host university’s online application concurrently.</p> <p>Please refer to http://www.nus.edu.sg/gro/global-programmes/summer-and-winter-programmes/i-sp-application-guide (i-SP application guide) for details of the application process.</p>
