

INTERNATIONAL SUMMER/WINTER PROGRAMMES (i-SP)

IMPORTANT NOTE

Before applying for any summer/winter programme, read the [GRO website](#) and [i-SP Application Guide](#) for important information on:

- General Eligibility Requirements and Application Process
- Module Mapping

University of Zurich (Online) Summer School 2021: Leadership in the Future of Work
(Updated as of 8 January 2021)

Programme Website: <https://www.summerschools.uzh.ch/programs/future-of-work/>

Programme Dates: 4 - 23 July 2021

Application Deadline: 25 April 2021

No. of Placements: To be determined by the host university

COVID-19 related updates:

Due to the COVID-10 situation, University of Zurich has announced that the summer programme will be offered 100% online for 2021.

Students may apply for module mapping and transfer a maximum of 8 MCs (this is applicable only to online summer programmes 2021). Some Faculties/Schools (including School of Computing) will not approve module mapping for online courses. Please check with your home faculty's Dean's Office to determine if module mapping can be approved for online courses before applying to the partner university.

INTERNATIONAL SUMMER/WINTER PROGRAMMES (i-SP)

		<p>renowned academic institutions – everyone wants to know what the future of work will bring. And not few claim that they already do.</p> <p>But which forecasts and predictions really hold? How can we distinguish substance from noise? Which topics really matter? Who is in charge? And what actions can or should we take in our own lives to create the version of the future that we actually want?</p> <p>This course offers a three-week virtual journey for students from around the world to explore the future of work from a range of different angles and perspectives, while reflecting on their own role as current and future leaders. With a mix of instruction and hands-on exercises, students will discover ways to better understand, prepare for, and ultimately shape the future of work.</p> <p>During the online course, you will:</p> <ul style="list-style-type: none"> • Identify key themes and approaches to studying the future of work • Understand the role of leadership in shaping the future of work • Critically assess predictions and forecasts and the role of different stakeholders • Understand drivers, manifestations and implications of change • Identify one’s own ability and role in shaping work-related change <p>The teaching and learning methods include:</p> <ul style="list-style-type: none"> • Lectures and small group seminars • Case studies • Social skills training • Personal leadership challenge (identify a cause your care about and explore ways in which to effectively communicate about it) • Participation in online research projects over 3 weeks • Hands-on exercises with partner(s)
3	<p>Eligibility Requirements</p>	<p>NUS’ generic eligibility requirements apply, please see GRO website for details.</p> <p>UZH Summer School encourages students who fulfilled the following requirements to apply for the programme :</p> <ul style="list-style-type: none"> • Have good grades in the undergraduate studies • Completed their first year of study • This course is open to students from all subject areas • Applicants must possess a sufficient command of English
4	<p>Application Procedure</p>	<p>You are REQUIRED TO apply via NUS’ EduRec-GE AND the host university’s online application concurrently.</p> <p>Please refer to http://www.nus.edu.sg/gro/global-programmes/summer-and-winter-programmes/i-sp-application-guide (i-SP application guide) for details of the</p>

INTERNATIONAL SUMMER/WINTER PROGRAMMES (i-SP)

		<p>application process.</p> <p>Please note that you must accept <u>both</u> internal offer from EduRec (to proceed with online module mapping) and external offer from the host university (and with payment of programme fees to the host university) for the online summer programme before you can participate in the programme.</p>
5	Module Mapping	<p>Students interested in obtaining credit can start the module mapping process after you apply in EduRec and accept the offer for the programme. Module mapping request is subject to approval from the Faculties.</p> <p>Students may apply for module mapping and transfer a maximum of 8 MCs (this is applicable only to online summer programmes 2021). Some Faculties/Schools (including School of Computing) will not approve module mapping for online courses. Please check with your home faculty's Dean's Office to determine if module mapping can be approved for online courses before applying to the partner university.</p>
