COVID-19 related updates:

Due to the COVID-10 situation, Fudan University has announced that the summer programme is likely to be offered online for 2021. Final decision on the mode of teaching will be available in early March 2021. Students interested in the programme should proceed to apply for the programme as Online programme for 2021.

Students may apply for module mapping and transfer a maximum of 8 MCs (this is applicable only to online summer programmes 2021). Some Faculties/Schools (including School of Computing) will not approve module mapping for online courses. Please check with your home faculty's Dean's Office to determine if module mapping can be approved for online courses before applying to the partner university.
