COVID-19 related updates:

For summer 2022, Peking University Summer School International (PKUSSI) has announced that the summer programme will be offered online for international student in 2022. Some courses in the programme may be offered onsite or online. Students interested in the programme should proceed to apply for online courses only.

Online summer programme courses taken while physically in Singapore, whilst credit-bearing by the partner universities, are offered to NUS students for enrichment only. Module mapping and financial assistance are not applicable to any electronic summer programmes taken while physically in Singapore. Applications are to be submitted directly to the partner university offering the programme and application on EduRec is not required.
