PROGRAMME DETAILS

3	Academic Content	<p>The program provide a rigorous overview of selected topics that are key to understanding the present and future of the tourism and hospitality industry.</p> <p>The selected topics covered in this summer program includes:</p> <ul style="list-style-type: none"> • Environmental Policy and Sustainable Tourism • Human resource management in Europe’s Hospitality sector • Culture, history, leisure, and attractions management • Hospitality Finance in Europe • Customer Experience Management in Hospitality
---	-------------------------	---

		<ul style="list-style-type: none"> Cutting-edge technology applied to tourism activities (Crypto-economics and crypto-assets, Metaverse) <p>You may refer here for more details on the courses: https://uamsseb.education/tourism/syllabus-schedule-venue-and-social-and-cultural-events-and-academic-field-trips/</p> <p>It is offered at the same time as the last two weeks of UAM’s Summer School of Economics and Business (SSEB). So students can choose to enrol two consecutive programs (2 + 4 weeks) together.</p>
4	Eligibility Requirements	<p>NUS’ generic eligibility requirements apply, please see GRO website for details.</p> <p>UAM requires students to be proficient in English and submit a CV upon application.</p>
5	Accommodation	<p>The Office of Study Abroad at UAM will provide help in finding accommodation and there are both on-campus and off-campus housing options available on a first-come-first-served basis.</p>
6	Application Procedure	<p>Apply via EduRec and the host university’s website concurrently. You must accept both the EduRec offer as well as the host university offer to confirm your participation in this programme.</p> <p>*If you would like to enrol in both consecutive programs (SSEB and SSTIHAM) together, please drop an email to NUS Global.</p>
7	Course Mapping	<p>If you are interested in obtaining credit, you can start the course mapping process after you apply in EduRec and accept the offer for the programme.</p> <p>Note that all mapping requests are subjected to approval by the Faculties.</p> <p>Please also note the following:</p> <ul style="list-style-type: none"> Students may map up to a maximum of 10 units for each summer programme and up to a maximum of 5 units for each winter programme. Course mapping will be subject to approval from the respective Faculties/Schools. Of the units approved for mapping, a total of 12 units from a maximum of 2 overseas summer/winter and research programmes can be mapped without having to pay NUS tuition. Additional units mapped will be subjected to NUS Special Term fees. For details, visit the NUS Office of the University Registrar's website. Questions about course mapping approval and the number of units you can map without having to pay tuition? Please contact the SEP coordinator at your home faculty.
