---	---------------	--

		<ul style="list-style-type: none"> • Student welcome pack • Welcome coffee, lunch, and networking activities on Day 1 • Farewell event on the penultimate day • Certificate of participation upon successful completion of the program (with 5 ECTS in total) • Official BLS certification designed for healthcare professionals (AFGSU 2 diploma) upon successful completion of the program <p>Additional Costs The cost per student does <u>not</u> include:</p> <ul style="list-style-type: none"> • Travel to and from Paris before arrival and after departure • Visa application fees • Accommodation • Meals • Personal expenses • Medical and repatriation insurance • Electronic device (tablet or laptop) required for coursework
2	Projected Expenditure	Refer to the following for an estimate of living costs: Cout vie etudiante EN.pdf
3	Financial Aid Available Through NUS GRO	<p>You should have enough monetary funds to cover the whole SWP. Your decision to go on SWP should not depend on confirmation of a scholarship or bursary award. You can consider the following financial aid options to fund your SWP:</p> <ul style="list-style-type: none"> • NASA Enhancement Bursary (Singaporean Citizens only) • Overseas Student Programme Loan (Singaporeans only) • Post-Secondary Education Account (PSEA) Ad-Hoc Withdrawal (Singaporeans only) <p>Please note that if you are successful with any financial aid, the funds will only be disbursed to you after completion of the Programme.</p>

PROGRAMME DETAILS

4	Academic Content	Refer to 'PROGRAM OVERVIEW' at Artificial intelligence and digital innovation in medicine Summer School Médecine or Hands-on training in clinical medicine and emergencies Summer School Médecine
5	Eligibility Requirements	<p>Artificial intelligence and digital innovation Summer School: This program is designed for all medical students, physicians, engineers and data scientists interested in the intersection of healthcare, artificial intelligence and digital tools. Participants from diverse backgrounds are also welcome as interdisciplinary collaboration is essential to advancing AI applications in medicine.</p> <p>Hands-on training in clinical medicine and emergencies Summer School: This program is designed for students in medicine or related sciences with an interest</p>

		<p>in health professions seeking to strengthen their clinical examination skills and gain practical experience in a dynamic, interactive learning setting.</p> <p>AGE AND EDUCATIONAL REQUIREMENTS</p> <ul style="list-style-type: none"> • Participants must be at least 18 years old by July 6, 2026. • Minimum A2/B1 level of English (or equivalent) • The Summer School is open to students with a secondary school diploma; students enrolled in an institution of higher education; university graduates. <p>Please note: personal electronic device (tablet or laptop) will be required for coursework.</p> <p>NUS's generic eligibility requirements apply. Please visit the GRO website for more information.</p>
6	Accommodation	<p>Accommodation is <u>not</u> included in the programme fees.</p> <p>Refer to 'ACCOMMODATION' at Artificial intelligence and digital innovation in medicine Summer School Médecine or Hands-on training in clinical medicine and emergencies Summer School Médecine</p> <p>If university-arranged accommodation is unavailable, you will be responsible for securing your own.</p>
7	Application Procedure at NUS	<p>Please apply through the NUS Education Records System - Global Education (EduRec-GE) first if you want to do course mapping and apply for financial aid/loans. Applying through EduRec-GE will allow GRO to contact and assist you in times of crisis/emergency while overseas.</p> <p>With an official application through EduRec-GE, you are covered by the NUS Travel Blanket Insurance. Besides, GRO can also provide you with supporting letters for visa application. Read the step-by-step guide we prepared for you on GRO's website.</p> <p>You should also concurrently apply to the host university once you have applied to NUS Edu-Rec.</p>
8	Application Procedure at Host University	<p>Refer to 'APPLICATION' at Artificial intelligence and digital innovation in medicine Summer School Médecine (opens January 2026) or Hands-on training in clinical medicine and emergencies Summer School Médecine (opens January 2026)</p> <p>Deadline: 31 March 2026</p> <p>For more information, please visit the following links: Artificial intelligence and digital innovation in medicine Summer School Médecine;</p>

		Hands-on training in clinical medicine and emergencies Summer School Médecine
9	Confirmation of participation	To confirm your participation in this programme, you must accept the EduRec-GE offer and the host university offer.
10	Course Mapping	<p>All course mapping requests are subject to approval by the faculties/departments.</p> <p>If you are interested in obtaining credits for your course, you can start the course mapping process via EduRec-GE after you have accepted the programme offer.</p> <p>Students may map up to a maximum of 10 units for each Summer Programme. Over the course of study in NUS, students may map up to a total of 12 units for involvement in the summer programme. Beyond 12 units, NUS Special Term tuition fees will apply, in addition to Summer/Winter Programme fees paid to the host university. Please read the information on the Office of the University Registrar's website for details.</p>
11	Transcript	<p>Please provide a valid, personal mailing address in the online registration portal so the host can send your transcript to you after the summer programme.</p> <p>Please do not request that your transcript be mailed to the NUS Global Relations Office (GRO). GRO is not responsible for missing transcripts.</p>

ADDITIONAL INFORMATION		
12	Visa Application	<p>Holders of a Singapore passport do not require a visa for visits to France lasting up to 90 days.</p> <p>For other nationalities, please get in touch with the Embassy of France in Singapore to determine if a visa is required to enter France. For more information on visas, please refer to the Embassy website: https://sg.ambafrance.org/-Going-to-France-Visas-</p>
13	Travel Advisories	Visit the MFA website for travel advisories from the Singapore government in various countries.
