The PolyU International Summer School 2022 was an amazing experience. It not only helped me make my summer vacation more interesting and meaningful, but also provided an opportunity for me to learn a lot about Chinese culture.

Both professors and classmates at PolyU were very kind and friendly. The teaching style at PolyU was very creative and encouraging. My overall summer school experience in Hong Kong has been awesome, both study and social life.

My experience of joining the PolyU International Summer School was great. It not only allowed me to complete a GE subject of my choice, but it also was an excellent opportunity to foster cultural exchange.
