**COVID-19 related updates:**

Students may be considering physical (on-site) Summer and Research Attachment programmes in 2022. Due to the fluid situation of the COVID-19 pandemic, there is still much uncertainty regarding international travel in the months ahead.

Students’ ability to travel to a country for Summer 2022 will be determined by the host country’s travel policies as well as any updates to the latest travel advisory from Singapore authorities. Do factor in the need for quarantine in the host country and stay-home notice upon return to Singapore when considering the feasibility of participating in these programmes.

To be eligible for physical (on-site) summer programmes, students will need to:

1. Be fully vaccinated;
2. Complete the compulsory Overseas Travel Preparedness (OTP) module on LumiNUS one month before the start of the programme (LumiNUS ➔ Search (module type: non-academic modules (self-enrollment) ➔ GRO101 Overseas Travel Preparedness (non-SEP participants AY2021/22));
3. Submit a copy of the completed [Risk Acknowledgement and Consent Form](#) on LumiNUS one month before the start of the programme (LumiNUS ➔ Search (module type: non-academic modules (self-enrollment) ➔ GRO101 ➔ Files ➔ Summer Programmes ➔ Austria));
4. Register with the Ministry of Foreign Affairs or your country’s diplomatic mission; and
5. Attend a pre-departure briefing conducted by GRO

Students who proceed with the physical (on-site) option acknowledge the risks associated. NUS will not be responsible for any lost deposits or expenses (including but not limited to programme/tuition fees, air tickets, housing deposits, meal plans and/or non-academic student fees) associated with travel disruptions.
Students are advised not to make any financial commitments, particularly those which are non-refundable until they are certain that travel is possible. Students will be fully responsible for any and all travel expenses, imposed at that point in time, both in the host country and Singapore.

**ESTIMATED COST OF PARTICIPATION**

| 1 | Programme Fee | The cost of tuition varies depending on the course(s) you select, and ranges from USD 1,730 (1 course) to USD 3,207 (3 courses).

**Financial Aid Available Through NUS GRO**

As a participant of this programme, you are eligible to apply for:
- [Overseas Student Programme Loan](https://overseas.huji.ac.il/academics/summer-and-short-term-programs/student-financial-aid/overseas-student-programme-loan) (Singaporeans only)

Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package.
