

**INTERNATIONAL SUMMER/WINTER PROGRAMMES (i-SP)**

**IMPORTANT NOTE**

Before applying for any summer/winter programme, read the [GRO website](#) for important information on:

- General Eligibility Requirements and Application Process
- Module Mapping and Financial Aid
- Visa Application, Travel Advisories and Student Insurance

**Student Fellowship Programme (India)**

**Summer 2023**

*(Updated as of Feb 2023)*

Host University Website: <https://pollinategroup.org/student-fellowship-program/>  
 Programme Dates: 02 May to 17 May 2023  
 Application Deadline: **1 April 2023**

| ESTIMATED COST OF PARTICIPATION |  |  |
|---------------------------------|--|--|
| 1                               | <b>Programme Fee</b>                           | AUD\$2000 (include programme fees and accommodation)<br><br>Airfare not included.  |
| 2                               | <b>Financial Aid Available Through NUS GRO</b> | Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package.<br><br><b>However, eligible students will receive the NUS India Experience Award (IEA) which can be applied through EduRec.</b> This will serve to provide financial support for students participating in India-related online programmes. More information about the IEA can be found on the <a href="#">GRO website</a> . |

| PROGRAMME DETAILS |                         |  |
|-------------------|-------------------------|--|
| 3                 | <b>Academic Content</b> | You will work alongside our staff in India and Nepal, gaining a practical understanding of the entrepreneurial approach to community development, an appreciation for involving the end user in design and change, and tools to help you initiate and lead game-changing ideas in your studies and future.<br><br>The Student Fellowship combines workshops, project work, and self-directed learning, delivered in an intensive two-week period.<br><br>Participants will also collaborate in a rapid innovation process, ideating a new solution to a real-life business challenge that Pollinate Group is tackling or helping us integrate a new initiative into our model. Through this process, participants will directly contribute to Pollinate’s capacity to create a sustainable |
