3	**Academic Content**	AUR Summer Schools offers an educational, social, and cultural experience. Students will be immerse in engaging classroom discussions, intensive language study, and in-depth courses with professors and students from around the world. You may refer here for more details on the courses offered: https://my.aur.edu/ICS/Course_Offerings__Syllabi.jnz? Please be reminded to check if there are any clash between the timetable of your desired courses if you are intending to take 2 courses. The language of instruction is English unless it is a language course or otherwise stated in the course description and do note that some of the courses are conducted off-campus.

4	**Eligibility Requirements**	NUS' generic eligibility requirements apply, please see GRO website for details. Host university's requirements: • Minimum CAP of 2.5 • Each applicant will be reviewed individually on leadership, motivation, academic improvement, involvement in activities, and potential for growth. Applicants are to submit their personal statement, unofficial transcript, copy of passport ID page.
5	**Accommodation**	AUR offers optional housing to students. For more information, please refer to: https://aur.edu/aur-student-housing. Should the host university's accommodation be unavailable, students will be responsible to secure their own accommodation.
6	**Application Procedure**	You are **REQUIRED TO** apply via EduRec. NUS Global will forward the applications received via EduRec to AUR directly and they will contact you with the relevant course registration and pre-departure information. **You are NOT REQUIRED to submit an application via AUR website.** Kindly refer to the i-SP application guide for details of the application process. Please note that you must accept both the EduRec offer as well as the host university offer in order to confirm your participation in this programme.
7	**Course Mapping**	If you are interested in obtaining credit, you can start the course mapping process after you apply in EduRec and accept the offer for the programme. Note that all mapping requests are subjected to approval by the Faculties. Please also note the following: • Students may map up to a maximum of 10 units for each summer programme and up to a maximum of 5 units for each winter programme. Course mapping will be subject to approval from the respective Faculties/Schools. • Of the units approved for mapping, a total of 12 units from a maximum of 2 overseas summer/winter and research programmes can be mapped without having to pay NUS tuition. Additional units mapped will be subjected to NUS Special Term fees. For details, visit the NUS Office of the University Registrar's website. • Questions about course mapping approval and the number of units you can map without having to pay tuition? Please contact the SEP coordinator at your home faculty.
