Beyond the Classroom

The ISS offers a rich variety of cultural and social activities and special events, including:

- Norwegian & International Cultural Night
- Norwegian films
- Debates on current issues
- Hiking trips
- Guided tours to sites in Oslo

We offer a varied program with sightseeing, cultural heritage tours, debates, hiking, and students’ sport events.

The students elect a Student Council, which plays an active role in initiating and implementing extracurricular social events. For more info, see the ISS website and social media.

An Academic Experience

A wide range of fully accredited Bachelor’s (undergraduate) and Master’s (graduate) courses based on active student participation and field experiences.

A Cultural Experience

An extensive array of cultural events, sports, trips, social gatherings, and excursions to interesting destinations in and outside of Oslo.

A Confidence and Peace-Building Experience

An exciting and challenging expansion of perspectives in dialog with 550 students from nearly 100 countries.

“I always wished there would be something I could do to improve relations and cooperation in the diverse and challenging multicultural contexts that I come from. I found an answer to this problem in a land thousands of kilometers away from home.”
-Seinn Seinn Min, Myanmar

Come to Norway – Meet the World
Why Norway?

Breathtaking scenery, fascinating history and culture, strong economy, well-functioning welfare state.

An interesting country to explore, to experience and use as a springboard for engaging and critical studies of a wide array of cultural and social issues.

Why the International Summer School?

An ideal setting for an exploration of Norwegian and international topics. A center for learning aimed at developing and conveying knowledge, and at promoting understanding between people.
