Students' ability to travel to a country for Summer 2022 will be determined by determined by the host country's travel policies as well as any updates to the latest travel advisory from Singapore authorities. Do factor in the need for quarantine in the host country and stay-home notice upon return to Singapore when considering the feasibility of participating in these programmes.

To be eligible for physical (on-site) summer programmes, students will need to:

2. complete the compulsory Overseas Travel Preparedness (OTP) module on LumiNUS **one month before** the programme start date. Search for GRO101 Overseas Travel Preparedness (non-SEP participants AY 21/22);
