PROGRAMME DETAILS		
4	Academic Content	<p>Summer Session courses are highly accelerated and most meet every day; we want you to plan your schedule and time accordingly. We strongly recommend students enroll in no more than 8 credits per 6-week session and no more than 3 credits per 3-week session.</p> <p>Please keep in mind that students who need an I-20 (visa form) from UHM-Outreach College, they will need to register for 6 credit hours (undergraduate students) or 4 credit hours (graduate students) of classes and at least one class must have in-person instruction.</p> <p>This is important particularly for Summer 2022 since most classes are expected to be online during that period. As of Nov 2021, the Departments at UHM are currently in the process of determining their summer schedules and while they do expect some of their classes to go back to in-person instruction in the Summer 2022 term, they are still awaiting final decisions by their academic departments.</p> <p>A preview of Summer 2022 courses will be available in early December 2021, and will include a tentative list of classes and whether they are being planned with in-person or online instruction. UHM’s full schedule is expected to be available online on by early February 2022 and this schedule will indicate which courses are expected to be offered in-person or online.</p> <p>For additional resources, you can view course descriptions and prerequisite requirements from the UH Mānoa Catalog. The catalog is a comprehensive guide to UH Mānoa programs, course offerings, services, tuition, financial aid, faculty, facilities, academic policies, and other information of general importance to UH Mānoa students.</p> <p>Summer courses from UH’s Outreach College often have varied start and end dates with unique deadlines for registration, withdrawals, and refunds. See the Academic Calendar for each of your courses.</p> <p>If you require a more detailed course description or syllabus, please contact the instructor listed on the Academic Calendar or contact the Academic Department. Some departments provide course syllabi on their website.</p> <p>More information can be found here: https://www.outreach.hawaii.edu/summer/registration-and-costs/how-to-register-for-summer-sessions/</p>
