Before you start...

Here are a few things to note:

(1) For best user experience, please use **Google Chrome** or **Mozilla Firefox**. Other browsers (such as Internet Explorer, Microsoft Edge versions before version 44.17763) may experience compatibility issues.

---

(2) You can use one of the following **social accounts** to proceed with your undergraduate admissions application:
- Facebook
- Google (e.g. Gmail)
- Microsoft Account (e.g. Outlook or Hotmail)
- LinkedIn

By using your social account for login, information entered in the application form will be automatically saved. As you will be logged out if your session idles for more than 30 minutes, using your social account for login ensures that information previously entered can be retrieved when you resume the session again.

You are encouraged to create an email account which you can use for this application purpose.

---

(3) Make use of **MyInfo function** to **pre-fill your application form**.

MyInfo retrieves personal data from relevant government agencies to pre-fill the relevant fields, making the submission of application form faster and more convenient.

(4) If you have opted to use MyInfo function but would like to proceed filling up the application form without pre-filled information retrieved from MyInfo, follow the steps below to proceed:

    a) Close browser
    b) Re-login with same social account and
    c) Click on 'Start New Application' button

(5) The purpose of using MyInfo is to pre-fill your personal particulars and local education qualifications (if available) to expedite the processing of your application with accurate data entries, you will only be allowed to make changes to the following fields:
·   Marital Status
·   Email
·   Mobile

(6) Students residing in Singapore and not using MyInfo are encouraged to use the **postal code search function** so that accurate residential address information such as Block/House Number and Street Name can be pre-loaded in one-click.

Note: This function is only applicable to residential addresses in Singapore.

(7) If you wish to amend details such as contact information and/or choice of courses after application submission, you may do so via the Student Portal.

(8) Students are required to select at least one Single Degree choice of courses. Based on the selected Single Degree course choice, Double Degree (DDP), Concurrent Degree (CDP), Double Majors and Minor Programmes that are related to the Single Degree course choice(s) will be listed in the drop-down menu for selection.

If you decide to revise your Single Degree course choice(s) before application submission, you will be required to re-select your DDP, CDP, Double Majors and Minor Programmes as your earlier selection will be **reset**. The list of relevant DDP, CDP, Double Majors and Minor Programmes for selection will be revised in accordance to the new single degree course choice(s).

(9) Only students who have selected Engineering courses in their Single Degree course choices will be asked to indicate if they wished to be considered for Special Programmes offered by the Faculty of Engineering – Engineering Scholars Programme, and Engineering and Medicine (Duke-NUS).

(10) Based on the year of examination input into the application form, Singapore-Cambridge GCE 'A' Level subjects and level that are applicable to the year will be generated for selection. As such, please be patient to allow the system to load the information.

Note: System is loading information when the ⟳ icon is turning.

(11) The top menu (aka Navigation Bar) indicates you have completed a specific section based on the colors presented.

- Completed section = Grey
- Section in-progress = Orange
