Application for NUS Scholarships

Scholarship applications can be submitted only after applications for admission to NUS have been submitted. You may apply for NUS Scholarships here.

You will need to complete all relevant sections of your online application before submission. We would advise you to save a local copy of your application details on your device while you access the online application form.

Supporting documents are to be uploaded and submitted within the online application form. Please refer to the Supporting Documents Guide here for the list of supporting documents to prepare.

The deadline for scholarship application is 19 March 2022.

Referee Report

One referee report is to be submitted online separately by your JC/Polytechnic/High School Principal or Tutor via https://myaces.nus.edu.sg/admissionportal/login. Your referee will be notified via email to access the portal after you have applied for NUS Scholarships. The email will contain your application number, which is required for your referee to login to submit your report.

The deadline for the referee report submission is 26 March 2022.

Shortlisting Process

NUS Scholarships applicants will be assessed on their suitability for the scholarships, based on the strength of their applications and their performance in the scholarship selection interview(s), if shortlisted. You will be notified via email if you need to attend an interview.

Selection interviews will be conducted from late-March onwards, and applicants will be informed of their scholarship application outcomes by late-May.

Please ensure that you are available to attend the interviews (if shortlisted) in order to be considered for scholarships.
Application Results

You may view your application outcome at the Applicant Portal.

The scholarships offer letter will be available at the Applicant Portal after you have been offered a scholarship. Do remember to indicate your response to the offer by the deadline stated in the portal!

Questions?

Things to note

1) For best user experience, please use Google Chrome or Mozilla Firefox. Other browsers (such as Internet Explorer, Microsoft Edge versions before version 44.17763) may experience compatibility issues.

2) You can use one of the following social accounts to proceed with your NUS Scholarships application:
   - Facebook
   - Google
   - Microsoft Account
   - LinkedIn

3) Login to the application portal by selecting the Social Account linked to your personal email, as shown below. You are required to use the same personal email and social account you have used to apply for Admissions.

4) To ensure information entered is saved, you are required to use the button to proceed to the next page of the application form. You will be logged out if your session idles for more than 30 minutes.

5) If you wish to save the application and continue next time, please click “Log out” before you close the browser.
If you encounter an error message when accessing the form, please clear your browser’s cache and close your entire browser. Thereafter, open your browser and load the application link in incognito mode. You may then proceed to login.

Returning National Servicemen (RNS) with a reserved course and who applied for admissions in AY2020 and/or AY2021

If you are a returning NS man who has a reserved course in NUS and previously applied for admissions in the AY2020 or AY2021 exercise (more information at https://www.nus.edu.sg/oam/apply-to-nus/returning-national-servicemen/information-for-full-time-ns-men), please follow the steps below to apply for NUS Scholarships for AY2022. You can also find this information at the login page in the online application form.

  - Register an email address linked to a social account (Microsoft/LinkedIn/ Facebook/Google)
  - Apply for NUS Scholarships by logging in via the registered social account and key in your Application no. (under reserved course) and birth date in DD/MM/YYYY format
Application Form - sections and description

1) Personal details

2) Scholarship Choice
You may select more than 1 other scholarship, including the NUS Global Merit Scholarship and NUS Merit Scholarship. The details of the scholarships available for selection can be found here.

3) Other Awards
If you are receiving other scholarships, bursaries, grants, awards or any financial assistance for your study in NUS, please indicate the details in this section.

4) Achievement
You may add your significant co-curricular activities, community service, internships and other achievements in this section. Each Achievement should contain the details of the Activity, Position Held, Level, Level of Achievement, Name of Activity/Organisation/Employer, Start date, End date and the Key contribution description. Up to 10 such achievements can be submitted.

You are also required to submit a Personal Statement of less than 2,000 characters in this section. The statement should state why you should be offered a scholarship and you should elaborate on how you have exemplified the five NUS values of Innovation, Resilience, Excellence, Respect and Integrity. In citing your most outstanding achievements (no more than two activities), you should include examples of your commitment and how you have been enterprising. Each spacing, punctuation or paragraphing are counted as a character.
5) **Referee Nomination**

Indicate your referee’s details in this section. We will need your referee’s Salutation, Full Name, Designation, Relationship, Organisation, Email and Contact number.

Do ensure that you key in your referee email address correctly as your referee can only access the report submission report with an OTP sent to his/her email.

6) **Documents**

Upload your supporting documents in this section. The required documents are found in the Supporting Documents Guide [here](#).

7) **Declaration**

After completing all 7 sections above, you will reach a **Submission Summary** page where you are to ensure that the information keyed in are correct and you may print and keep a copy of the summary page, before clicking **Submit**. If any information is keyed in wrongly, you may navigate back to the relevant page to edit before submitting your application.

You will receive an email titled “Scholarship Application Received” if your application has been received.

**Editing application and uploading additional documents**

You may do the following via the [Applicant Portal](#) (Scholarships section), after you have submitted your online application:

- check application status
- view your application summary
- edit your personal statement and achievements
- submit additional documents

*All the best in your Application!*
