**Appendix to DPS**

Offences under Clause 31 relate to non-compliance with prevailing university guidelines for safe management as provided on [https://nus.edu.sg/osa/student-services/hostel-admission/housing-agreement](https://nus.edu.sg/osa/student-services/hostel-admission/housing-agreement). Examples of offences under Clause 31 include but are not limited to: not wearing a mask/wearing a mask improperly, failure to observe safe distancing rules, gathering of more than the number of persons permitted, allowing non-resident visitors (NUS or external) into the hostel. Each act of non-compliance is considered a separate offence in the issuance of demerit points.

Please note that:

1. Further sanctions may be imposed at the discretion of the Master where breach involves use of hostel’s common facilities.
2. Egregious breach(es) may result in students being penalized under Clause 13 of the DPS or referred to BOD.
3. Students are responsible for checking their official NUS email accounts and will be deemed to be notified once the sanctions have been delivered via email.

**Non-compliance with Health and Temperature Declaration Requirements** will attract a warning during the grace period (week 1 of semester 1). Subsequently, compliance will be tracked on a weekly basis and students will be informed via email of failure to meet requirements. Students are fully responsible for checking their official NUS e-mail accounts in a timely manner and taking note of these notifications. Accumulation of **four non-compliance notifications within one semester** (including the vacation period) will result in immediate termination of housing.
