

Warm Welcome PGP Residents

Have you familiarized yourself with NUS, made new friends and settled into new routines in PGP Residence?

On 6th Aug, we conducted **Emerald Challenge** with the aim to provide an engaging format for residents to learn about PGPR facilities and rules. It was also to give residents opportunities to interact with other fellow residents. Here are some photos and feedback from our residents from our Emerald Challenge, the orientation event on 6 Aug 2022.

PGP Residence Welcome Event: Emerald Challenge – 6 Aug 2022

I love the event a lot!!! Personally, I think it was well organized, and the hosts were super friendly, active and supportive

I do believe that the flow of the programme was good, and the RAs and CLs were well informed of the games and the local area. Additionally, the grouping of the attendees was thought out well so that we could make new friends within the extremely nearby community

Very informative, without being dry. Quite fun, made new friends and met up with old ones!

New Food Options

Also, something delicious coming soon to PGP Residence: a **Halal Indian food vendor (with vegetarian options)** is expected to start operations in early October in the air-conditioned canteen.

We hope this will give the multi-cultural and multi-national student population in PGP Residence more food options.

Lastly, August saw our country take a giant step in our battle against Covid, with the removal of most indoor mask mandate. As NUS align ourselves with national guidelines, please do continue to protect yourselves and look out for one another.

May you continue to enjoy your stay at PGP Residence. **We welcome suggestions and feedback** on how we can make your stay better and programs more tailored for you. Do write to us at pgpresidence@nus.edu.sg.

We look forward to hearing from you soon.

Warmest regards,

Dr Lee Chian Chau
