Description
NUSSU Rag & Flag is an annual charity project organised by the Union to raise donations for Community Chest (ComChest), the fundraising and engagement arm of the National Council of Social Service (NCSS).

FLAG DAYS - SERVICE
Throughout June and July, NUSSU students plan and organise engagements with 22 charity programmes under various Social Service Agencies (SSAs). They then participate in flagging, over 5000 students from NUS travel all over Singapore on 2 separate days to flag for donations from the public. The proceeds are disbursed by ComChest to the SSAs where our students engaged with over the summer.

RAG DAY - GRATITUDE
The Rag Day in NUSSU Rag & Flag Day is also known as the Receive and Give (RAG) Day. Our event features colourful, creative performances by our students to show appreciation to our Singaporean community in supporting our fundraising efforts in Flag. Our family-friendly carnival styled event is open to the public; all proceeds from the carnival will contribute to the fundraising for ComChest.
