Important Notes:
1. This SMS service is only available for the regular semester's examination results release (usually in December for Semester 1 and May for Semester 2). It is not available for the release of examination results of modules taken during the Special Terms or for period that falls outside of the regular semesters.
2. Students who are being blocked from viewing their examination results due to a "Hold" being assigned to them (e.g. because they owed fees or library fines) will not be able to receive their examination results even if they subscribe to the SMS
service.
3. To subscribe to this SMS service, you must have a Singapore mobile phone number.
