#### Sanctions for Sexual Misconduct

Sexual misconduct will not be tolerated by the University. I acknowledge that I have read and understood the following disciplinary sanctions for sexual misconduct offences that NUS has put in place:

- All offenders will be subject to a minimum one-year suspension.
- Offenders may face expulsion, for severe or aggravated forms of sexual misconduct.
- Offenders will have a notation reflecting the length of suspension placed on their (interim and final) academic transcripts. The notation can only be expunged, on the request of the student but subject to the University's approval, after a period of 3 years from the student's graduation.
- To return to the University after the period of suspension, offenders must be certified fit by a counsellor and/or medical professional.
- The University takes a strict view on both academic and general misconduct. For the recent academic year, there were 3 students who were expelled for sexual misconduct and 1 student who was expelled for cheating. 2 students have been suspended for between 3 to 5 semesters in the previous academic year.

**Section B**

Note: For the superscript notes 1 and 2, please move your cursor over them to read the notes.

Please select ONE of the following two options by ticking the appropriate box:

**Option 1: Apply for Tuition Grant**

1. I wish to apply for the Tuition Grant from the Singapore Government <sup>1</sup>, to subsidise the cost of my education at the National University of Singapore.
2. In order for me to be eligible to receive the Tuition Grant for my new course, I understand that I must fulfill the following terms and conditions:
  - a. I have not received another subsidy or sponsorship by the Singapore Government previously for a programme with qualification attained at the same level as my new course or higher, whether on a full-time or part-time basis.
  - b. I have not taken another subsidy or sponsorship from the Singapore Government for a course at the same level or higher than my new course, that I did not graduate from, whether on a full-time or part-time basis. If I have previously received another subsidy or sponsorship from the Singapore Government for courses of the same or higher level than my new course, the subsidy that I have previously received will be taken into account in assessing my subsidy eligibility for the new course, and I may be eligible for further subsidy or sponsorship from the Singapore Government for the course I am now applying for.
  - c. If I am currently studying in another institution and receiving a subsidy or sponsorship from the Singapore Government, the subsidy or sponsorship that I am currently receiving can be taken into consideration when determining my eligibility for a Tuition Grant for the new course, and I may be ineligible to receive any further subsidy or sponsorship from the Singapore Government for the course I am not applying for.
  - d. I understand that I need to submit an on-line application for the Tuition Grant Scheme at the Ministry of Education's (MOE) website at <https://tgonline.moe.gov.sg> by the stipulated date as informed by the institution or the Ministry of education and the failure to do so may render me ineligible for the Tuition Grant.
3. I declare that all the information provided by me in this form is true and accurate to the best of my knowledge, and that I have not deliberately or wilfully omitted to provide any information that would render me ineligible to receive Tuition Grant. I understand that providing false information in this form is a criminal offense. Under Section 177 of the Penal Code for a person who is legally bound to furnish as true information on the subject which he knows or has reason to believe to be false, the offence is punishable with imprisonment for a term up to 6 months, or a fine up to a maximum of \$5,000, or with both.
4. Subject to my eligibility and upon the Tuition Grant being successfully granted for this new course, I shall also undertake the following:
  - a. In the event that I am no longer eligible for the Tuition Grant subsequently, I agree to pay the non-subsidised fees, as stipulated by the National University of Singapore.
  - b. If awarded a Tuition Grant, I shall execute a Tuition Grant Agreement with the Ministry of Education by the stipulated date as informed by the institution or the Ministry of Education. This includes the signing of the Tuition Grant Agreement together with my two sureties and the provision of proper supporting documents <sup>2</sup> during the stipulated signing dates as informed by the institutions or the Ministry of Education. If my sureties are overseas and unable to be present in Singapore to sign the Tuition Grant Agreement on the scheduled dates, I will ensure that the Tuition Grant Agreement is signed by my sureties in the presence of Notary Public/Commissioner for Oaths/Lawyer and provided to do so, I shall be deemed to have withdrawn my application for a Tuition Grant and I will be charged non-subsidised fees by the National University of Singapore.
  - c. In the event that I am granted a Tuition Grant based on the above information, and should this information turn out to be in any way false, incorrect, misleading or inaccurate, or should I be found to have deliberately or wilfully omitted or suppressed any fact which is in the opinion of the Government material, I understand that the Tuition Grant Agreement will be terminated with immediate effect, and I and my sureties shall be liable to pay the Government on demand the liquidated damages specified in the Tuition Grant Agreement. I understand that I will still be liable for such a penalty even if I have already graduated from my course of study at the point when the false declaration is discovered.
5. I confirm that I am agreeable to the above terms and conditions stated in Section A, 1a and 1b and Section B, 2(a) to 2(d) and shall carry out the undertakings stated in 4(a) to 4(c) of this form.

Reason for not applying for Tuition Grant:

You will be required to complete the e-module on Student Essentials e-module **within four weeks after completion of Registration (Part One)**.
