Preamble:
The purpose of this Registration Guide is to highlight the activities significant to the incoming Non-Graduating student for completing the various formalities towards being officially registered as a student of the National University of Singapore (NUS).

If you have any queries, you may write to NGHelp@nus.edu.sg.

1. Overseas Travel Declaration (OTD)

In view of the Coronavirus Disease 2019 (COVID-19) situation, all incoming students are required to declare their travel plans in the Overseas Travel Declaration (OTD) system before they can proceed with online Registration (Part One).

Do note that the completion of OTD is mandatory for all incoming students.

Access to the OTD system is only available four days after you have accepted offer and uploaded your photo in the NUS Online Application Portal (myapplications.nus.edu.sg). Please login to the OTD (Applicants) system (myaces.nus.edu.sg/OverseasTravelDecl/applicantLogin) with your NG Application Number (e.g. N000012345) and Password, selecting Student Category "Non-graduating".

You are strongly encouraged to proceed with Registration Part One upon submitting your OTD.

2. Registration (Part One)

In Registration (Part One), students are to update their personal particulars, agree to abide by policies which form their Acceptance Record; and complete the Authorisation Requirements (nus.edu.sg/registrar/administrative-policies-procedures/non-graduating/acceptance-record).

You are required to complete Registration (Part One) before you can participate in the Module Registration (ModReg) exercise.

To access the Registration System (myregistration.nus.edu.sg), log in with your NG Application Number (e.g. N000012345) and Password, selecting Student Category (Non-graduating). If you have forgotten any of these login credentials, please access the NUS Online Application Portal (myapplications.nus.edu.sg) and click on the appropriate link.

Access to Registration System is only available after you have submitted your travel plans in the Overseas Travel Declaration (OTD) system. The entire registration process consists of a few steps and will take about 15 minutes.

After instructional week 3, you can seek help by sending an email to ITCare@nus.edu.sg, stating your full name and Student ID (e.g. A1234567B), as well as attach a scanned image of your Student Card.

You can refer to the **FAQs** here for assistance on password issues.
If you are under 18 years of age at the time of completing Registration (Part One), you must download and print the following forms found at Step 4 (see Figure 4), have your parent/guardian sign the forms, scan and email them to reqlinx@nus.edu.sg to complete Registration (Part Two).

3. Change NUSNET Password/Access NUS Email

Access to NUS systems will be activated one to two days after completion of Registration (Part One). You are required to change your default NUSNET password via the Password Portal (exchange.nus.edu.sg/passwordportal) before you can access NUS online services such as:

- Education Records System (EduRec) (myedurec.nus.edu.sg) This is a single-entry point for students to manage a wide range of student transactions relating to module registration (ModReg), academic, finance and personal information matters.

To help new students navigate EduRec, various guides and other useful resources are published at the NUS Student Portal (myportal.nus.edu.sg/studentportalservices/all/myedurec.html).

- LumiNUS (luminus.nus.edu.sg) is NUS’s learning management system. You will be able to view your registered modules, access the course materials and get an integrated view of your tasks and deadlines here.

To access EduRec and LumiNUS, you will need your NUSNET ID (e.g. E1234567) and changed NUSNET password. When prompt to sign in with your organisational account, use ‘nusstu’ which is the domain for NUS students, and enter your user ID as e.g. ‘nusstu\NUSNET ID’.

- NUS Email (outlook.com/u.nus.edu) All students will have an email account at NUS that will be their official point of contact. All communications from the University to students will be via the official email account. As such, you are expected to check this account regularly. You are also expected to be aware of the latest notices/circulars that may be posted on myPortal@NUS (myportal.nus.edu.sg).

Your NUSNET account and NUS email will expire a month from the date of cessation of studies. Please retrieve course syllabus from LumiNUS (applicable for coursework students) and do a backup copy of the files which you have retained in your student email account, if applicable.

4. Financial Matters

Please refer to Annex 2 for detailed information on payment of NUS Miscellaneous Student Fees and Tuition/Research Fees.

Information for International Students

1. Orientation Briefing for International Students by office of Student Affairs (OSA)

Details will be confirmed at a later date.

2. Immigration & Checkpoints Authority of Singapore (ICA) – Student’s Pass

All international students admitted as Non-Graduating students must hold a valid Student’s Pass during the period of study at NUS. Admission is contingent upon successful application of Student’s Pass.

To apply for a Student’s Pass, NUS Registrar’s Office will initiate a registration with ICA on your behalf, following which you will receive an instructional email to submit the application via the Immigration & Checkpoints Authority (ICA) Student’s Pass Online Application & Registration (SOLAR) System.

You must monitor the status of your Student’s Pass application regularly as you will be required to upload documents and make payments at different junctions of the application process (notably during submission of eForm16, and Completion of Formalities (COF)) on the portal within the stipulated deadlines by ICA. Failure to do so will result in your Student’s Pass application being withdrawn.

If the application is approved, ICA shall grant the student an IPA letter, which is available for printing via ICA SOLAR system (eservices.ica.gov.sg/solar/index.xhtml) under navigation path: Student Main Menu > Print Outcome Letters. For students from a visa-required country (ica.gov.sg/#/visitor/visitor_entryvisa), the IPA letter also serves as a single-entry visa to enter Singapore.

If you are not issued with an IPA letter, you will not be able to complete the formalities for the issuance of Student’s Pass. Therefore, it is important for you to act promptly after receiving the email notification from NUS Registrar’s Office to access the SOLAR system.

If you are eventually not successful in their Student’s Pass application, your admission offer will be withdrawn, and you will not be able to embark on or continue your studies in NUS.

The IPA letter cannot be used in place of the Student’s Pass to study in NUS. Upon receipt of the IPA letter, you are advised to read it carefully and prepare the required documents/items for submission to ICA in person to convert your Social Visit Pass to a Student’s Pass (visitor/studentpass/collect). Please refer to the next section about completing formalities with ICA.

Note: Non-Graduating international students are required to take up at least 12 MCs worth of modules (approximately three modules and includes modules set to ‘audit’) per semester or pursue full-time research in order to qualify as a full-time student and be issued with a Student’s Pass.

2.1 Entry Approval by Ministry of Education (MOE)

In addition to obtaining the Student’s Pass or Student’s Pass In-principle Approval from the ICA, international students will also need to obtain approval from the Ministry of Education (MOE) before they commence their journey to Singapore. Each application will be assessed by MOE on a case-by-case basis, and approval is not guaranteed.

NUS will apply for your entry approval with MOE on your behalf, based on your travel plans in the Overseas Travel Declaration (OTD) system. Hence, it is important that you declare your travel plans in the OTD system (myaces.nus.edu.sg/OverseasTravelDecl/applicantLogin) and update the OTD system immediately if there are changes, including travel plan cancellations.

Students should not proceed with their trip to Singapore unless they have received the entry approval letter. The MOE entry approval letter, which is valid for two weeks, will be conveyed to your NUS email account separately. It is highly recommended that you proceed to complete Registration Part One after submitting your OTD so that you will be able to receive the entry approval emails in your NUS email account. Students must produce the entry approval letter to airline staff upon check-in at the departure airport, and to the immigration officer upon arrival in Singapore. Students who arrive without an entry approval letter from MOE will not be allowed to enter Singapore and will be required to fly out of Singapore within 48 hours, at their own cost. The In-Principle Approval Letter for the Student’s Pass may also be rescinded by ICA.

Students who are granted entry into Singapore are required to comply with the prevailing public health
All costs will be borne by students and all payments are to be made prior entry to Singapore.

**IMPORTANT!** Given the rapidly changing nature of such requirements, you are strongly recommended to refer to the following resources which will contain the most up to date regulations:

I. Entry into Singapore via Student’s Pass Holder Lane-

II. Border Control Measures summary table- [https://safetravel.ica.gov.sg/health](https://safetravel.ica.gov.sg/health)

Prior to arrival, students are to submit their health status and recent travel history, as well as personal particulars and contact details via the SG Arrival Card (SGAC) e-Service ([icaeservices.ica.gov.sg/s Garrivalcard](https://icaeservices.ica.gov.sg/s Garrivalcard)).

As part of the Government’s contact tracing efforts, students are required to download the Trace Together App ([https://www.tracetogether.gov.sg/](https://www.tracetogether.gov.sg/)). The app will be required to access most public spaces in Singapore. Students are to keep the app on their phone for 14 days after their departure and in the event they test positive for COVID-19, they are required to provide the Ministry of Health the data collected by their app.

NUS has prepared a list of Frequently Asked Questions (FAQs) on Entry Approval and Stay Home Notice which you should refer to prior to departure ([http://nus.edu.sg/registrar/docs/info/academic-activities/registration/FAQ_for_Entry_Approval.pdf](http://nus.edu.sg/registrar/docs/info/academic-activities/registration/FAQ_for_Entry_Approval.pdf)). FAQs may be subject to changes.

Refer to Annex 3 for other useful links related to the border control measures implemented in response to COVID-19.

### 2.2 In-person Enrolment session for Student’s Pass

ICA has arranged for offsite enrolment (OSE) in NUS for in-person enrolment session for Student’s Pass on the dates below.

**Date:** 6 – 8 Jan 2021

**Venue:** Multi-purpose Sports Hall 1 (MPSH1), Kent Ridge Campus

**Note:** Due to safe distancing measures and to prevent overcrowding of the venue, students attending the offsite enrolment session are required to make an appointment. Detailed instructions can be found in the Welcome Email sent to you at the end of December 2020. You will be informed about collection of your Student’s Pass during the OSE session.

For students who are unable to make it to the offsite enrolment session or hold a visa-required passport and have plans to travel out of Singapore before the Student’s Pass issuance date, please make an e-appointment ([eservices.ica.gov.sg/ibook](https://eservices.ica.gov.sg/ibook)) before arrival to enroll in-person at the ICA Building to get your student’s pass issued. Specific instructions can be found on your IPA letter on how to make an e-appointment.

Students are required to prepare and bring the documents/items listed below to attend the enrollment session for student’s pass. It is your responsibility to go prepared with the necessary documents, pay all fees (processing, issuance and/or Multiple-Journey Visa fees) and complete all the required forms prior to attending the appointment.

### 2.3 Medical Examination (for those staying beyond 6 months)

All international students who applied for **Student’s Pass beyond six months** would have to undergo and pass a medical examination conducted by a qualified medical practitioner in your home country. You **must** have the completed test results of your medical check **before** you can continue with Completion Of Formalities (COF) on the STP application system. This step is after you submit your eForm16 and documents.

During COF, you are required to upload your medical report using ICA’s prescribed medical report form (Download from ICA SOLAR system (eservices.ica.gov.sg/solar/index.xhtml) under navigation path: Foreign Student Main Menu > View Application Status) for the medical examination. The endorsed form must be submitted with the relevant laboratory reports. **An official translation of the laboratory reports is required if it is not in the English language.** At the time of submission, the laboratory reports must not be more than three months from the date of issue.

If you are residing in Singapore on any other long-term immigration passes currently, you are required to undergo the medical examination in Singapore, if the medical examination was done more than two years ago.

The issuance of the Student’s Pass is subject to the outcome of a medical examination. Students who fail to fulfill the medical requirements will not be issued with a Student’s Pass and your admission of offer will be withdrawn.

### 2.4 Enquiries

If you have any queries regarding immigration issues and Student’s Pass matters, you may refer to ICA’s FAQs (va.ecitizen.gov.sg/cfp/customerpages/ICA/explorefaq.aspx). Alternatively, you may write to ica_stp1@ica.gov.sg.

### 3. Housing

Matters relating to on-campus or off-campus housing can be obtained from the Office of Student Affair’s (OSA) website (nus.edu.sg/osa/student-services/hostel-admission/non-graduating). If you have enquiries pertaining to housing, you may write to the Hostel Admission Services (nus.edu.sg/osa/contact).
Financial Matters

Fees can be paid online via the Education Records System (EduRec). For further instructions, refer to the guide (nus.edu.sg/registrar/docs/info/prospective-students---non-graduating/Instructions-for-epayment.pdf)

Both Exchange and Non-Exchange students are required to pay the Miscellaneous Student Fees (see table below for breakdown) which comprise the Student Services Fee and Health Service Fee.

Miscellaneous Student Fees help meet part of the costs incurred by the University in providing services to the student community. These services include healthcare for students; facilitating student cultural, social and recreational programmes; and maintaining the internal shuttle bus service, IT network and other campus-wide services.

Please note that rates shown here may be subject to changes from time to time.
