Preamble:
The purpose of this Registration Guide is to highlight the activities significant to the incoming Non-Graduating student for completing the various formalities towards being officially registered as a student of the National University of Singapore (NUS).

A video briefly outlining the matriculation process at NUS is available here (https://nus.edu.sg/registrar/videos/info/ng/nus-ng-post-offer.mp4). We suggest watching it first before referring to this guide for more detailed information.

If you have queries, you may write to nghelp@nus.edu.sg.

1. Registration (Part One)

Access to Registration Part One system is only available four days after you have accepted offer, uploaded your photo in the NUS Online Application Portal and received an email that your photo has been approved.

To access the Registration Part One System (myregistration.nus.edu.sg), log in with your NG Application Number (e.g. N000012345) and Password, selecting Student Category (Non-graduating). If you have forgotten any of these login credentials, please access the NUS Online Application Portal (myapplications.nus.edu.sg) and click on the appropriate link.

In Registration (Part One), students are to update their personal particulars, agree to abide by policies which form their Acceptance Record; and complete the Authorisation Requirements (nus.edu.sg/registrar/administrative-policies-procedures/non-graduating/acceptance-record).

Completion of Registration (Part One) is necessary for participation in the Module Registration (ModReg) exercise. The entire registration process consists of a few steps and will take about 15 minutes.

Figure 1: Screenshot of Registration (Part One)
Upon completion of Registration (Part One), you will be issued the following:

Figure 2: Screenshot of Confirmation Page for Completion of Registration (Part One)

When you click on “View Student ID / PIN / NUSNET ID / NUSNET Password”, you will see the following screen:

Figure 3: Screenshot of Registration (Part One) for Student ID/PIN/NUSNET ID & Password Page
These are **personal and confidential** information which should not be shared with anyone.

The NUSNET ID and password given here will only be activated **one to two days after** completion of Registration (Part One).

Upon activation, you need to change the default NUSNET password before you can access any NUS online services.

If you have forgotten your password but have not reset it yet, you can access the Registration System (myregistration.nus.edu.sg) before instructional week 3 to retrieve it (see Figure 2).

After instructional week 3, you can seek help by sending an email to ITCare@nus.edu.sg, stating your full name and Student ID (e.g. A1234567B), as well as attach a scanned image of your Student Card.

You can refer to this [website](#) for assistance on password issues.

*Note:* All students are required to complete the e-module (SE1000), and encouraged to complete RC1000A for those staying at on-campus accommodations. Failure to do so will result in a Negative Service Indicator (NSI) tagged to your student account. You will then experience inconveniences like being unable to view exam results, not able to receive your transcript at the end of your exchange.

Please keep the above information strictly confidential as you are responsible for maintaining the security of your NUSNET Password/PIN and all functions performed from your account. Sharing or revealing your NUSNET Password/PIN may result in disciplinary action taken against you.

Please note that your NUSNET account will only be activated 1 to 2 days after you complete your Registration (Part One).

Before you can access NUS Email, NUS Education Records System, module registration systems, Luminous and other NUS online services, you are required to first change your default NUSNET Password at [https://exchange.nus.edu.sg](https://exchange.nus.edu.sg) by clicking on "Change NUSNET Password".

Please use your NUSNET account to connect to the "NUS_STU" wireless network. If your device does not support 5GHz, you can connect to "NUS_STU-2.4GHz" instead.

**RC1000A Respect & Consent course strongly encouraged to attend**

Welcome to NUS! As part of NUS' commitment to nurture a safe, inclusive and respectful environment for teaching and learning, NUS conducts a Respect and Consent (R&C) course for students. This course is compulsory for undergraduate and graduate students in NUS academic degree programmes. Although not mandatory, you are strongly encouraged to also attend this course to understand Singapore regulations and NUS community standards better. It has three parts: online videos, workshop, and Declaration of Conformity. If you are residing in RCh/Hall/SF/Houses, you are required to attend the course.

*Step 1.* Watch the R&C online videos at Luminous Non-Academic Modules, as here. Please complete this within two weeks of the date of this email so that you can proceed to step 2.

*Step 2.* Next, book the R&C workshop, join the workshop, and sign Declaration of Conformity as directed by QR code at end of the workshop. To do so, please write to R&C Administrator (email: rcadmin@nus.edu.sg) to express your interest to join the R&C workshop. The R&C Administrator will book a suitable timeslot for you. If you are residing in RCh/Halls/SF/Houses, you are required to attend the course. You will be prompted by email and uRChUS once you have completed the online videos.

If you have any queries, please email R&C Administrator at rcadmin@nus.edu.sg.

Thank you.

R&C Administrator

**SE1000 Student Essentials e-module: mandatory to complete**

As part of NUS’ commitment to nurturing an environment conducive for the exchange of ideas, advancement of knowledge, and intellectual development, there are fundamental skills and basic knowledge for students to learn and be aware of as they embark on their journeys with NUS. The module on Student Essentials will allow students to appreciate the importance of maintaining academic integrity and research ethics in their areas of study and research. This e-module is available on Luminous at [here](https://exchange.nus.edu.sg). You are required to complete this within two weeks of the date of this email.

Do note that the completion of this e-module is compulsory, and failure to do so will adversely impact your access to certain key student services such as the ability to request unofficial transcript, amongst others.

If you have any queries about the e-training packages, you may contact studentaportal@nus.edu.sg.

To access EduRec and LumiNUS, you will need your NUSNET ID (e.g. E1234567) and changed NUSNET password. When prompted to sign in with your organisational account, use ‘nusstu’ which is the domain for NUS students, and enter your user ID as e.g. ‘nusstu\E1234567’.

- **NUS Email** ([outlook.com/u.nus.edu](http://outlook.com/u.nus.edu)) All students will have an email account at NUS that will be their official point of contact. All communications from the University to students will be via the official email account. Students are expected to check this account regularly henceforth and to be aware of the latest notices/circulars that may be posted on myPortal@NUS ([myportal.nus.edu.sg](http://myportal.nus.edu.sg)). Your NUS email address will be your NUSNET ID, follow by the “u.nus.edu” domain. E.g. E0123456E@u.nus.edu

Your NUSNET account and NUS email will expire a month from the date of cessation of studies. Please retrieve course syllabus from LumiNUS (applicable for coursework students) and do a backup copy of the files which you have retained in your student email account, if applicable.

If you wish to take language module(s) offered by the Centre for Language Studies (CLS), please register for the relevant placement test(s) and note the dates for the tests. For more details, please visit CLS website (fass.nus.edu.sg/cls/entry-requirements) or email clssec@nus.edu.sg to enquire.

5.2 Module Administration

During the regular semester, you are required to read a minimum workload of 12 MCs (approximately three modules) and should not read more than 20 MCs worth of modules (approximately five modules), regardless of whether modules are set to audit or examinable. Exception for minimum workload is given to students registered in Singapore institutions and students reading modules and doing non-credit bearing research.

You are strongly advised to check the class and examination schedules via NUSMods (nusmods.com) for all the modules you are reading or intend to read, and to ensure there are no clashes in your class/examination schedules.

You can view your registered modules and access the course materials through LumiNUS (luminus.nus.edu.sg) from instructional week 1 of the semester onwards. User guide for the portal can be found in the Help link.

Students will submit requests for additional modules, change of modules, drop modules, as well as select tutorials and labs within ModReg@EduRec. You are encouraged to view the workflow, videos, user guide and ModReg schedule for Non-Graduating students at the ModReg@EduRec website (https://www.nus.edu.sg/ModReg/resources.html). Information for International Students

1. Orientation Briefing for International Students by Office of Student Affairs (OSA)

There will be no international students’ orientation briefing from OSA this semester. Instead, the resources will be sent by OSA via email to student’s personal and NUS email addresses before the semester starts.

2. Immigration & Checkpoints Authority of Singapore (ICA) – Student’s Pass

All international students admitted as Non-Graduating students must hold a valid Student’s Pass whilst studying at NUS. Admission is contingent upon successful application of Student’s Pass.

To apply for a Student’s Pass, NUS Registrar’s Office will initiate registration with ICA on your behalf, following which you will receive an instructional email to submit the application via the Immigration & Checkpoints Authority (ICA) e-Service for Student’s Pass.

It is important to monitor your Student’s Pass application regularly as you will be required to upload documents and make payment at several points in the application process (notably during the submission of eForm16, and Completion of Formalities (COFI)). Failure to make payment and non-submission of documents within the 2-weeks deadline, will result in the automatic withdrawal of IPA application by ICA. If the IPA application is withdrawn, please write to nghelp@nus.edu.sg for re-application of new IPA.

If the application is approved, ICA will grant the student an In-Principle Approval (IPA) letter, which is available for printing via ICA STP Application system (eservices.ica.gov.sg/solar/index.xhtml) under navigation path: Student Main Menu > Print Outcome Letters. For students from a visa-required country (ica.gov.sg/enter-deport/entry_requirements/visa_requirements), the IPA letter also serves as a single-entry visa to enter Singapore.

If you are not issued with an IPA letter, you will not be able to complete the formalities for the issuance of your Student’s Pass. Therefore, it is important for you to act promptly after receiving the email notification from NUS Registrar’s Office to access the e-Service.

If you are eventually not successful in your Student’s Pass application, your admission offer will be withdrawn, and you will not be able to embark on or continue your studies at NUS.

The IPA letter cannot be used in place of the Student’s Pass to study at NUS. Upon receipt of the IPA letter, you are advised to read it carefully and prepare the required documents/items for submission to ICA in person to convert your Social Visit Pass to a Student’s Pass (visitor/studentpass/collect). Please continue to the next section before referring to section 2.3 about completing formalities with ICA.

Note: Non-Graduating international students are required to take up at least 12 MCs worth of modules (approximately three modules and includes modules set to ‘audit’) per semester or pursue full-time research in order to qualify as a full-time student and be issued with a Student’s Pass.

2.1 Information by SafeTravel Office (STO)

Under the Singapore’s Vaccinated Travel Framework, all travellers (including Singapore Citizens and Permanent Residents) entering Singapore can do so without quarantine, testing or entry approvals if they meet the requirements as listed on the SafeTravel Office (STO) website (safe_travel.ica.gov.sg/arriving/overview). Please make sure to read through the travel checklist for Fully Vaccinated individuals.

Travellers who do not meet the vaccination requirements mentioned are considered non-fully vaccinated travellers, and will be subject to entry approvals, tests and quarantine. All costs will be borne by students and all payments are to be made prior to entry into Singapore. Please click here to read through the travel checklist for Non-Fully Vaccinated individuals.
IMPORTANT! While the COVID-19 related measures have changed and led to testing, quarantine and entry approvals being done away for Fully Vaccinated Travellers, you are strongly recommended to always refer to the STO website for the most up-to-date regulations and border measures.

Prior to arrival, students are to submit their health status and recent travel history, as well as personal particulars and contact details via the 5G Arrival Card (SGAC) e-Service (https://www.ica.gov.sg/enter-depart/entry_requirements/sg-arrival-card)

Students are required to download these apps after arriving in Singapore in order to reflect your vaccination status. They are: Trace Together App and, uNivUS App. Refer to Annex 2 for more information on downloading these apps, and other COVID-19 related information.

2.2 Updating of Vaccination Information

Students are required to update their vaccination status with (1) the National Immunization Registry, and (2) the University.

Step 1: Updating the National Immunisation Registry

Students are required to update their vaccination records with the National Immunisation Registry.

To update your vaccination record, you may book an appointment for a serology test at the University Health Centre (UHC) (https://nus.edu.sg/uhc). Likewise, you may wish to make an appointment at an off-campus clinic (https://flu.gowhere.gov.sg/). Please bring your vaccination certificates with you for validation.

Testing and upload of records on the National Immunisation Registry may take up to 10 days. Please contact the clinic if you fail to hear from them after this period. The vaccination status will be reflected in your TraceTogether App.

Step 2: Updating Vaccination Record in uNivUS

The university requires students to upload a copy of their Singapore vaccination certificate. This certificate can be issued once vaccination status is updated in the National Immunisation Registry. In the meanwhile, students will be given exemption of doing FET testing during the period between 18 July – 02 Sept. Students who still have not uploaded their vaccination certificate beyond the exemption period, will be required to upload a valid FET test result, which is valid for 4 calendar days. (https://emergency.nus.edu.sg/wp-content/uploads/2022/04/2022-0426-ORMC-COVID-19-Circular-07-9.40.pdf)

Access to the Singapore vaccination certificate is only through HealthHub (https://www.healthhub.sg/) or Notraise (https://www.notarise.gov.sg/). Students are required to login via use of Singpass (Singapore’s digital ID).

You can register for Singpass only after your Student’s Pass Card has been issued (https://www.singpass.gov.sg/home/ju/register/instructions). As part of the process involves a mail containing your password being sent to your residential address in Singapore, you must provide your residential address in Singapore on your Student’s Pass Terms & Conditions form when you are completing your Student’s Pass formalities (See Section 2).

After setting up your Singpass, you can then download a copy of your Singapore vaccination certificate for submission on the uNivUS App.

If you need to reset your Singpass password, you may refer to the relevant instructional guides on the Singpass website (https://www.singpass.gov.sg/home/si/support) on how you can do so.
2.3 In-person Enrolment session for Student’s Pass

ICA has arranged for offsite enrolment (OSE) in NUS for in-person enrolment session for Student’s Pass on the dates below.

Date: 28 - 29 July, 1 - 3 August 2022
Venue: Multi-purpose Sports Hall 2 (MPSH2), Kent Ridge Campus
(Venue to be confirmed again)

**Note:** Due to safe distancing measures and to prevent overcrowding of the venue, students attending the offsite enrolment session are required to make an appointment. Detailed instructions will be sent to you via email in mid-July 2022. You will be informed about collection of your Student’s Pass during the OSE session.

For students who are unable to make it to the offsite enrolment session or hold a visa-required passport and have plans to travel out of Singapore before the Student’s Pass issuance date, please make an e-appointment (eservices.ica.gov.sg/ibook) before your arrival to enroll in-person at the ICA Building to get your student’s pass issued. Specific instructions can be found in your IPA letter on how to make an e-appointment.

Students are required to prepare and bring the documents/items listed below to attend the enrollment session for student’s pass. It is your responsibility to prepare the necessary documents, pay all fees (processing, issuance and/or Multiple-Journey Visa fees) and complete all required forms prior to attending the appointment.

2.4 Medical Examination (for those staying beyond 6 months)

All international students who applied for **Student’s Pass beyond six months** would have to undergo and pass a medical examination conducted by a qualified medical practitioner in their home country. You must have the completed test results of your medical check **before** you can continue with Completion Of Formalities (COF) in the STP application system. This step is after you submit your eForm16 and required documents.

During COF, you are required to upload your medical report using ICA’s prescribed medical report form (Download from ICA STP Application system ([eservices.ica.gov.sg/solar/index.xhtml](eservices.ica.gov.sg/solar/index.xhtml)) under navigation path: Foreign Student Main Menu > View Application Status) for the medical examination.
