---

2. **Mandatory Requirements**

   **2.1 Pre-Admission Medical Examination**

   As an admission condition, all incoming students are required to undergo a medical examination. The University reserves the right to refuse admission to or exclude a student from any particular course of study if they decline to undergo such health examinations or refuse any prescribed tests.

   The medical examination may be done (i) at UHC by appointment only ([nus.edu.sg/uhc](nus.edu.sg/uhc)); (ii) by students’ own physician in Singapore or (iii) in students’ home country. If students choose to do (ii) or (iii), they will need to save the completed medical examination and chest x-ray form (in **ENGLISH**) in PDF, and email to preadm_med@nus.edu.sg.

   Medical report forms may be downloaded from the University Health Centre (UHC)'s website ([nus.edu.sg/uhc/services/medical-examination/pre-admission/pre-admission-medical-exam](nus.edu.sg/uhc/services/medical-examination/pre-admission/pre-admission-medical-exam)).

   **CAUTION**: If you do not complete the Medical Examination by the deadline stipulated by UHC, a hold will be placed on your student’s record. As a consequence, you may be locked out of access to certain key student services, including examination results, transcripts, etc.

   For enquiries, please write to uhc_health@nus.edu.sg.

   Full-time international students are also required to fulfil an additional medical screening requirements for their Student's Pass application. For more information, please see **Section 10**.
2.2 Additional Screening for Students Admitted to Medicine, Dentistry, Nursing, Public Health and Pharmacy

If you are an undergraduate student entering the field of Medicine, Nursing, Pharmacy or Dentistry, kindly note that there are additional screenings and immunisation requirements. Please refer to your respective Faculty or School for further information and deadlines for such screenings.

Medical examinations for Dentistry students (undergraduate and graduate) are carried out by the Occupational Health Clinic. If you are an incoming Dentistry student, please call +65 6601 1781 / 6516 7333 to schedule an appointment.

2.3 NUS Respect and Consent

As part of NUS’ commitment to nurture a safe, inclusive and respectful environment for teaching and learning, NUS conducts a Respect and Consent (R&C) course for students through the Office of Student Conduct. This course has been compulsory since Academic Year 2019/2020. From Academic Year 2022/2023, NUS has enhanced the course with a workshop component where students can discuss and reflect on scenarios with trained facilitators.

All new undergraduate and graduate students in academic degree programmes would be required to complete this course in the semester that they enrol. Non-graduating students would be strongly encouraged to attend the course to understand Singapore regulations and NUS community standards. Continuing professional education students who enrol by semesters would also be allowed to attend the course if they wish.

The R&C course comprises three components: online-learning video, workshop, followed by a Declaration of Conformance.

CAUTION. If you do not complete the R&C course by end of the semester, a hold will be placed in your student’s record. As a consequence, you may be locked out of access to certain key student services, including examination results, transcripts, module registration, etc. Furthermore, if you are a RC/Hall/SR/House resident, and you do not complete the R&C course by the date stipulated by your RC/Hall/SR/House, you may be evicted from residence.

2.4 SE1000 Student Essentials e-module

As part of NUS’ commitment to nurturing an environment conducive for the exchange of ideas, advancement of knowledge, and intellectual development, there are fundamental skills and basic information for students to learn and be aware of as they embark on their journey with NUS. The e-module on Student Essentials will allow students to appreciate the importance of maintaining academic integrity and research ethics in their areas of study and research. This e-module is available on LumiNUS at here. You are required to complete this within two weeks of the date of this email.

Do note that the completion of this e-module is compulsory, and failure to do so will adversely impact your access to certain key student services such as the ability to request unofficial transcripts, amongst others.

7. Module Registration

At the beginning of each semester, all students must enroll in the modules they will read during the semester.

Students select their modules through ModReg@EduRec. Please check the latest information at the ModReg website (nus.edu.sg/ModReg).

For international students who may not be able to arrive in Singapore in time for face-to-face lessons, please check with your respective Faculties on whether your modules offer e-learning options (nus.edu.sg/ModReg/docs/UGFac_Contacts.pdf).

8. Measures Against COVID-19 on Campus

Staff and students are to exercise personal responsibility and test themselves using the FET kits if they are unwell or are exposed to an infected person. Should they test positive, they are to update their health status on uNivUS, inform their close contacts, and adhere to COVID-19 health protocols. Please refer to the ORMC Circular 7 (2022-0426-ORMC-COVID-19-Circular-07-9.40.pdf) for more details.

* uNivUS is the gateway app uniting NUS individuals and resources. It allows you access to key resources and services in NUS such as LumiNUS, NUSafe and Health Declaration. You can conveniently utilise these features through this one app. Currently, the NUS Office of Risk Management and Compliance has integrated the use of TraceTogether into uNivUS to facilitate contact tracing during this pandemic. As such, you would be required to have TraceTogether on your device to access uNivUS. More details can be found here (https://univus.nus.edu.sg/)

9. Information for International Students

9.1 Vaccinated Travel Framework

Under the Singapore’s Vaccinated Travel Framework, fully vaccinated travellers (including Singapore Citizens and Permanent Residents) entering Singapore can do so without quarantine, testing or entry approvals if they meet the requirements as listed on the SafeTravel Office (STO) website (safetravel.ica.gov.sg/arriving/overview). Please make sure to read through the travel checklist for Fully Vaccinated individuals.

Travellers who do not meet the vaccination requirements mentioned are considered non-fully vaccinated travellers, and will be subject to entry approvals, tests and quarantine. All costs will be
borne by students and all payments are to be made prior to entry into Singapore. Please click here to read through the travel checklist for Non-Fully Vaccinated individuals

9.2 Immigration & Checkpoints Authority (ICA) – Student’s Passes

All full-time international students will require a Student’s Pass issued by the Immigration & Checkpoints Authority (ICA) during their candidature in NUS. Students should be familiar with ICA’s requirements regarding Student’s Pass matters by checking ICA’s web-published information (ica.gov.sg/pass/studentpass/ihl) on Student’s Passes for University students.

You must monitor the status of your Student’s Pass application regularly as you will be required to upload documents and make payments at different junctures of the application process (notably during submission of eForm16, and Completion of Formalities (COF)) on the portal within the stipulated deadlines by ICA. Failure to do so will result in your Student’s Pass application being withdrawn.

If the application is approved, ICA shall grant you an IPA letter, which will be available for printing via ICA’s Student’s Pass (STP) Application System (eservices.ica.gov.sg/solar/index.xhtml) under navigation path: Student Main Menu > Print Outcome Letters. For students from a visa-required country (ica.gov.sg/enter-depart/entry_requirements/visa_requirements), the IPA letter also serves as a single-entry visa to enter Singapore.

If students are not issued with an IPA letter, they would not be able to apply for a Student’s Pass and their admission offer will be withdrawn.

You will need to complete the Student’s Pass formalities before the IPA letter, or the validity of the visit pass expires, whichever is earlier.

Warning: An international student who does not have a valid Student’s Pass for studies will be treated as overstaying, which is a punishable offence under the Immigration Act. Students who have overstayed in Singapore have been subjected to a composition of fine or even prosecution in Court. Students are to ensure that they have a valid pass for their stay in Singapore at all times to avoid being penalised for overstaying.

9.3 Medical Examination for Students’ Passes

The issuance of the Student’s Pass is subject to the outcome of the medical examination required by ICA, which includes a HIV test. Students who fail to fulfil the medical requirements will not be issued with a Student’s Pass.

The medical examination and HIV test can be done in students’ home country or in Singapore. Students may also opt to complete this medical examination together with the Pre-Admission Medical Examination at the University Health Centre (UHC) (nu.edu.sg/uhc). If students choose to do this, they need to note that the results of the various laboratory tests will only be ready for collection after five working days.

The medical report must be completed in English. For more information on the medical examination requirements for Student’s Pass, please check ICA’s website (ica.gov.sg/docs/default-source/ica/forms/medical-examination-report.pdf).

9.4 Issuance of Students’ Passes

ICA has arranged an Offsite Enrolment Exercise (OSE) in NUS for the completion of Student’s Pass formalities and issuance of Student’s Passes. Students are required to report for the OSE according to the slot that they have booked via the online system. Details on booking of OSE appointment slots will be sent via email from the Registrar’s Office.

IMPORTANT NOTES:

a. As only students whose vaccination records are ingested into the National Immunisation Registry (NIR) are allowed to complete their Student’s Pass formalities, they are advised to be in Singapore 1 week before 28 Jul 2022 in order to have enough time to do so. The NIR will reflect in ICA system once MOH has updated it.
b. They may opt for the following clinics for ingestion of vaccination records:
   • UHC – Please make an appointment at https://www.gevme.com/verification-of-covid19vaccination-2022; or
   • They can also refer to phpc.gov.sg for a listing of clinics who may provide such services; please call ahead to check. The full cost of the service will be borne by the individual.

c. If there is insufficient time to ingest the records, the vaccination status will not be reflected in NIR. **They will need to make an e-appointment to complete the Student’s Pass enrolment formalities at ICA.**

Please note that if your status in the STP Application System is IPA (Pending Document Submission) or IPA (Pending Issuance Fee), you will have to submit the outstanding documents and/or make the necessary payments online at least **3 days** before the OSE.

Students are advised to read the IPA letter carefully and prepare the required documents/items for submission to ICA to convert their social visit pass to a Student’s Pass.

Please arrange the documents/items in the following order, with item 1 on top:

<table>

<tr>

**ADVISORY:** As ICA will be enrolling applicants’ iris images, please **do not wear** coloured, patterned or cosmetic contact lenses. Students are required to **remove** their glasses/spectacles before capturing of iris images.

Students must make an e-appointment (eservices.ica.gov.sg/sbook/index.do) and report in person at ICA Office, 4th Storey, ICA Building to complete the Student’s Pass enrolment formalities if they are:

- Unable to attend the OSE in NUS OR
- Currently holding a full-time job (students should make an e-appointment upon cessation of their full-time employment).
9.5 Updating of Vaccination Information

Students are required to update their vaccination status with (1) the National Immunization Registry, and (2) the University.

Step 1: Updating the National Immunisation Registry

Step 2: Updating Vaccination Record in uNivUS

- International students will not be required to do FET test (requirement by NUS for those ‘unvaccinated’ in uNivUS) during period from 18 Jul – 7 Oct 2022 (both dates inclusive). This is to give time to have their vaccination status (student’s pass, Singpass, serology test) finalised and Singapore National Immunisation Registry (NIR) for them to sync into uNivUS.

During the exemption period, their vaccination status in the system will be ‘Unvaccinated’, until they upload a valid Vaccination Cert (from HealthHub (https://www.healthhub.sg/) or Notarise (https://www.notarise.gov.sg) into uNivUS. Students are required to login via use of Singpass (Singapore's digital ID).

You can register for Singpass only after your Student’s Pass Card has been issued (https://www.singpass.gov.sg/home/ui/register/instructions). As part of the process involves a mail containing your password being sent to your residential address in Singapore, you must provide your residential address in Singapore on your Student’s Pass Terms & Conditions form when you are completing your Student’s Pass formalities.

After setting up your Singpass, you can then download a copy of your Singapore vaccination certificate for submission on the uNivUS App. To reset your Singpass password, please refer to the Singpass website (https://www.singpass.gov.sg/home/ui/online-reset-password/user-detail) and make the necessary arrangements.

9.6 Office of Student Affairs (OSA) Live Show 2022 for International Students

Get a glimpse of university life as an international student in the OSA Live Show for International Students on 19 July 2022, 11am – 12.15pm via Zoom. 11. Financial Matters

11.1 Tuition Grant

The Singapore Government provides subsidies for the cost of undergraduate degree programmes at NUS. This subsidy is known as the Tuition Grant. Information on the Tuition Grant is available on the Registrar's Office website (nus.edu.sg/Registrar/Administrative-Policies-Procedures/Undergraduate/Fees) as well as at Ministry of Education (MOE)'s website (tgonline.moe.gov.sg). Students who are reading Medicine and Dentistry will separately sign the Tuition Grant Agreement with the Ministry of Health Holdings (MOHH) and the information below is not applicable to you. More details will be sent to you by MOHH in July.

Please complete a Tuition Grant Eligibility Declaration Form when doing Registration (Part One).

For Singapore Permanent Residents and International Students who are eligible and wish to apply for the Tuition Grant, you must submit an online application via the MOE website between 31 August and 07 October 2022. Application details will be sent to your NUS email account in August 2022. Students who do not submit the online application by the stipulated deadline will be charged non-subsidised fees (nus.edu.sg/Registrar/Administrative-Policies-Procedures/Undergraduate/Fees) by NUS.

Students who have successfully submitted the online application are required to sign a Tuition Grant Agreement. More details including signing dates will be sent to you by the Office of Financial Aid via your NUS email account in August 2022. You should check your NUS email account regularly for the notification.

If you have changed your citizenship recently and wish to update it, details can be found at the Askstudentservice portal (askstudentservice.nus.edu.sg/app/answers/detail/a_id/2037/kw/citizenship).

11.2 Financial Assistance

The Office of Financial Aid (OFA) within the Office of Admissions administers the various financial assistance schemes available to NUS undergraduates. Financial aid will be offered to eligible applicants who have been assessed to be needy. This will be in the form of a financial aid package which is designed based on the recognition that an education in the University is a partnership involving the student, his/her family and the University. The financial aid package that is offered may comprise a combination of loans, bursaries, grants and work-study assistance, depending on nationality and extent of the student’s level of neediness which is assessed based on the declared family income and mitigating factors, if any. Please visit OFA’s website (nus.edu.sg/oam/financial-aid) for more details.

Disbursement of Financial Aid Funds

Disbursement of financial aid funds is subject to students’ fulfilment of all the loan, bursary and/or grant requirements. The financial aid funds will first be used to clear all outstanding tuition fees, miscellaneous student fees and hostel fees (if applicable) before any balance is credited to students’ bank account. Students must update their Receiving Bank Account Details and Payment Address via the NUS Education Records System (myedurec.nus.edu.sg) for any balance to be credited to their bank account. More information can be found at the FAQ section of the Office of Finance website (nus.edu.sg/Finance/FAQs/StudentFinanceMatters.html). For queries on disbursement of financial aid funds, you may contact the Office of Financial Aid at 6516 2870 or submit your query at their enquiry portal (askadmissions.nus.edu.sg).
11.3 Payment of Tuition Fees

Please pay your Tuition and Miscellaneous Student Fees before the stipulated deadline.

Interbank GIRO is an arrangement where you authorize the Bank to deduct money from your bank account (or your parents’ bank account if the bank account indicated in your GIRO Application Form belongs to your parents) and pay to NUS.

This arrangement requires no further action from you once it has been set up. However, you should ensure there are sufficient funds in the bank account at the time of deduction.

For more details on GIRO application and deadlines, please visit Office of Finance website (nus.edu.sg/finance/students/student-finance-matters.html).

12. Updating Personal Particulars/Forgot Password

12.1 Updating Personal Particulars

Throughout their candidature, students are responsible for keeping their personal particulars (including citizenship, official/legal name*, identity card/passport details, permanent and correspondence contact details, and next-of-kin details) updated in the University's records in a timely manner (nus.edu.sg/registrar/administrative-policies-procedures/undergraduate/responsibility-for-notices-circularenupdates-of-personal-particulars). This means that students must notify the University within 5 working days of the effective date of change of the affected personal particulars. The University will not be accountable for delayed or lost mail due to incorrect or obsolete students’ addresses and contacts.

Students may check their particulars or amend their contact details via the NUS Education Records System (myedurec.nus.edu.sg).

*Please note that the Official Name in the University’s Education Records System will be printed on the degree scroll and academic transcript. If students have changed their name during their course of study but failed to inform the University in a timely manner and they have already been conferred your degree, then their name as presently reflected in our official records, will be inscribed on their degree scroll. No further requests for name changes will be entertained.
