SAP Ariba Resources – Help Center

The screenshot shows the SAP Ariba Business Network interface. At the top, there is a navigation bar with the SAP logo, 'Business Network', and 'Enterprise Account'. A 'Back to classic view' button is also present. Below this is a secondary navigation bar with various menu items: Home, Enablement, Workbench, Orders, Fulfillment, Invoices, Payments, Catalogs, Reports, and Messages. A 'Create' button is visible on the right. A red box highlights a question mark icon in the top right corner of the main content area, which is the Help Center icon. Below the navigation bars is a search bar with filters for 'Orders and Releases', 'Customer Corp.', and 'Exact match', and a search input field containing 'Order number'. The main content area features a 'Getting started' section with a '1' for 'Enablement Tasks' and several '0' counts for 'Orders', 'Items to confirm', 'Orders to invoice', and 'New orders', all for the 'Last 31 days'. Below this is a 'My widgets' section with 'Purchase orders' (Last 3 months) and 'Invoice aging' (Last 3 months) widgets, both showing '\$0 SGD'. An 'Activity feed' widget is also visible. A 'Feedback' button is located on the right side of the main content area.

The screenshot shows the 'Help Topics' sidebar menu. At the top, there is a search bar labeled 'Search Help Topics'. Below the search bar are two main categories: 'Documentation' and 'Support'. Under 'Support', there are several items: 'What's new in Enterprise ac...', 'What is SAP Business Netw...', 'Introducing the new SAP Busin...', 'Introducing the new help ce...', 'Finding orders, invoices, an...', 'Adding payment tiles (2:48)', 'Discovering new insights', 'Common browser issues', and 'How do I create an invoice?'. At the bottom, there is a 'Feedback' button. A red box highlights the search bar, and a red arrow points from the Help Center icon in the main interface to this sidebar.

Suppliers can access to Help Center from within their Supplier Ariba Network Account

For Standard account suppliers, Online Help Center is the main Ariba Support portal. Use the online help center to find documentation, training videos and user recommendations or tips.

SAP Ariba Resources – SAP Ariba Connect

Buyer and Suppliers can search for help articles or support notes in [Ariba Connect](#)

This is also Standard Account suppliers' self-help portal. Use the online help center to find documentation, training videos and user recommendations or tips.

SAP Ariba Resources – SAP Ariba Connect

The screenshot shows the SAP Ariba Connect homepage. At the top, there is a navigation bar with the SAP Ariba Connect logo and the word 'Home'. Below this is a secondary navigation bar with links for 'Home', 'Answers', 'Incidents & Cases', 'Release information', and 'Administration & more'. The main content area features a large heading 'How can we help you?' followed by a search bar with the placeholder text 'Search the knowledge base and documentation, or by Case ID'. Below the search bar, there is a suggestion: 'Try "cancel order", "email notifications", "user authorization"'. A section titled 'Or explore more applications' contains six cards: 'User Management', 'Documentation & Learning', 'Critical Incidents', 'Release Readiness', 'Announcements', and 'Customer Influence'. At the bottom, there is a section for 'Internal only' with two more cards. A chat bot icon is located in the bottom right corner.

Click the ? Icon to find a list of Help topics and guides on Ariba Connect

Search or select the content you want to check. You can also create a case (service request) from this page

How to create a case (previously called service request) from Ariba Connect

Standard accounts suppliers are encouraged to utilize online Help Portal and Buyer training videos prior to raising a Support ticket.

Suppliers will be prompted to Help Center Home Page, select “Contact Us”

Enter a search phrase for AI-based recommendations/solution

A “Contact Us” button will appear, select this option

How to create a case (previously called service request) from Ariba Connect

Fill in the necessary information

Once done, click “One last step”

The screenshot shows the SAP Help Center 'Contact us' page. The main form is titled '1. Tell us what you need help with.' and includes the following fields:

- Subject:** * I cannot send purchase order
- Full description:** * Affected items, expected...
- Attachment:**
- Issue type:** *
- Issue area:** *
- PO/Invoice Number:**
- Business Impact:** *

On the right side, there is a 'Recommendations*' section with a search bar and several articles, including 'How do I resolve a purchase order that reaches Permanently Failed status?' and 'Supplier did not receive purchase order change notification email'.

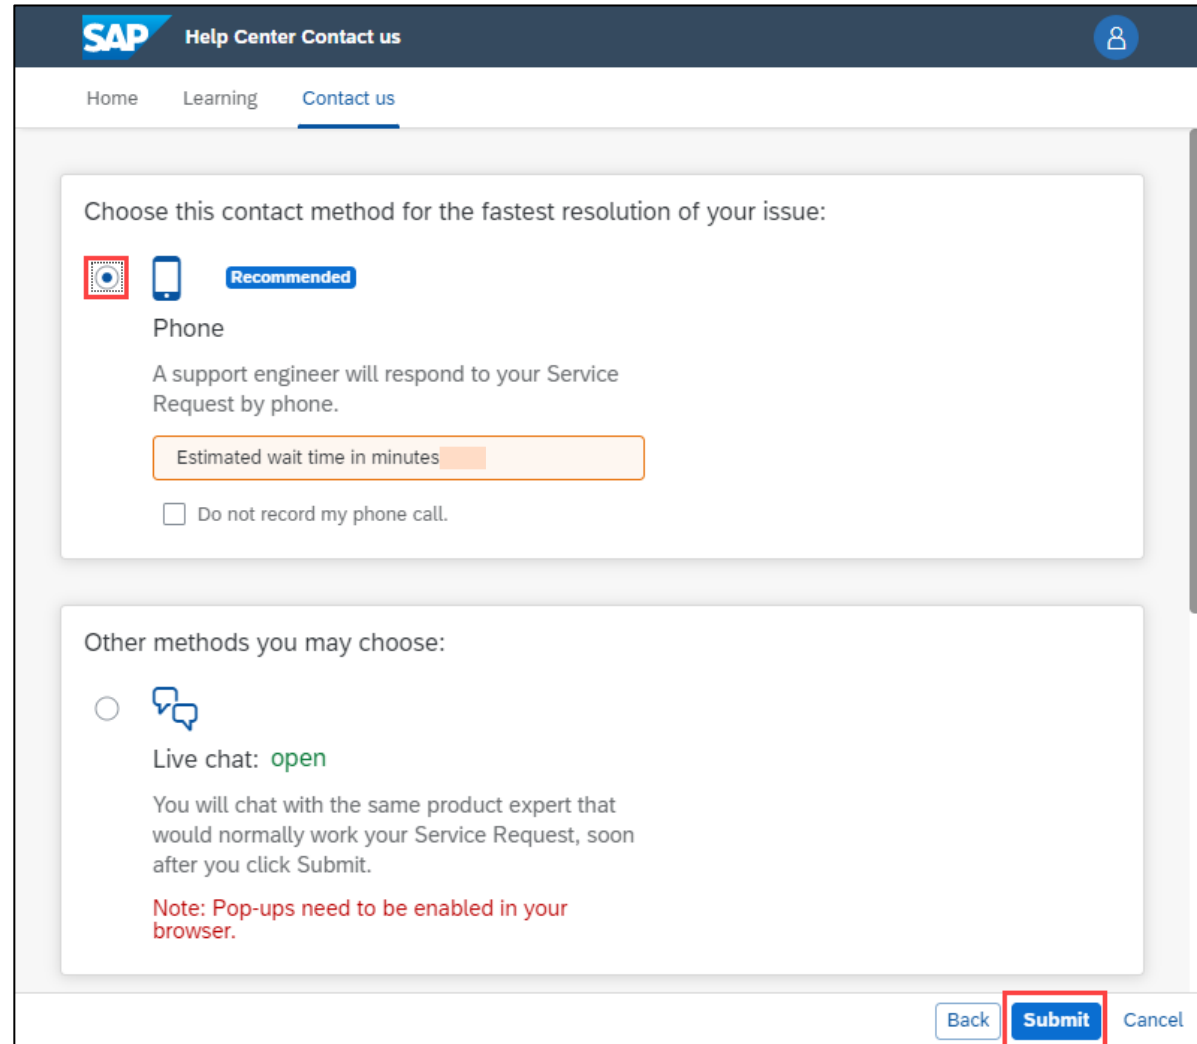

At the bottom of the form, there is a '2. How does this impact your normal business processes?' section. A blue button labeled 'One last step' is located at the bottom right of the form, highlighted with a red border.

How to create a case (previously called service request) from Ariba Connect

Choose a contact method, via phone or email

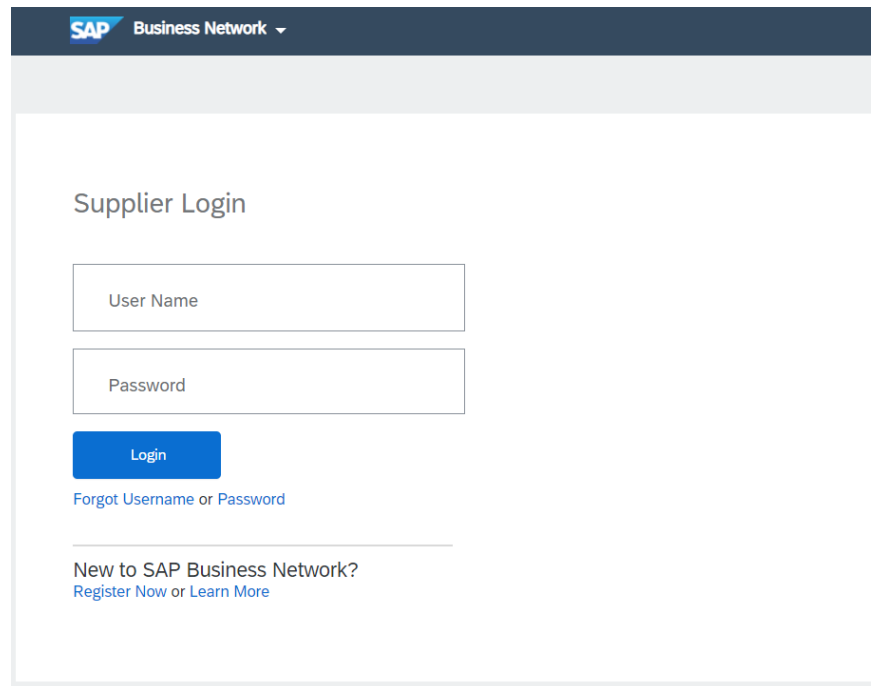

Support team will call back to phone number or email address provided in this step.

Click “Submit”

The screenshot displays the SAP Help Center 'Contact us' page. The header includes the SAP logo, 'Help Center Contact us', and a user profile icon. The navigation bar shows 'Home', 'Learning', and 'Contact us'. The main content area is titled 'Choose this contact method for the fastest resolution of your issue:'. It features two options: 'Phone' and 'Live chat'. The 'Phone' option is marked as 'Recommended' and includes a description: 'A support engineer will respond to your Service Request by phone.' Below this is an 'Estimated wait time in minutes' field with a progress bar and a checkbox for 'Do not record my phone call.'. The 'Live chat' option is currently unselected and includes a description: 'You will chat with the same product expert that would normally work your Service Request, soon after you click Submit.' A note below the live chat option states: 'Note: Pop-ups need to be enabled in your browser.' At the bottom right, there are three buttons: 'Back', 'Submit' (highlighted with a red box), and 'Cancel'.

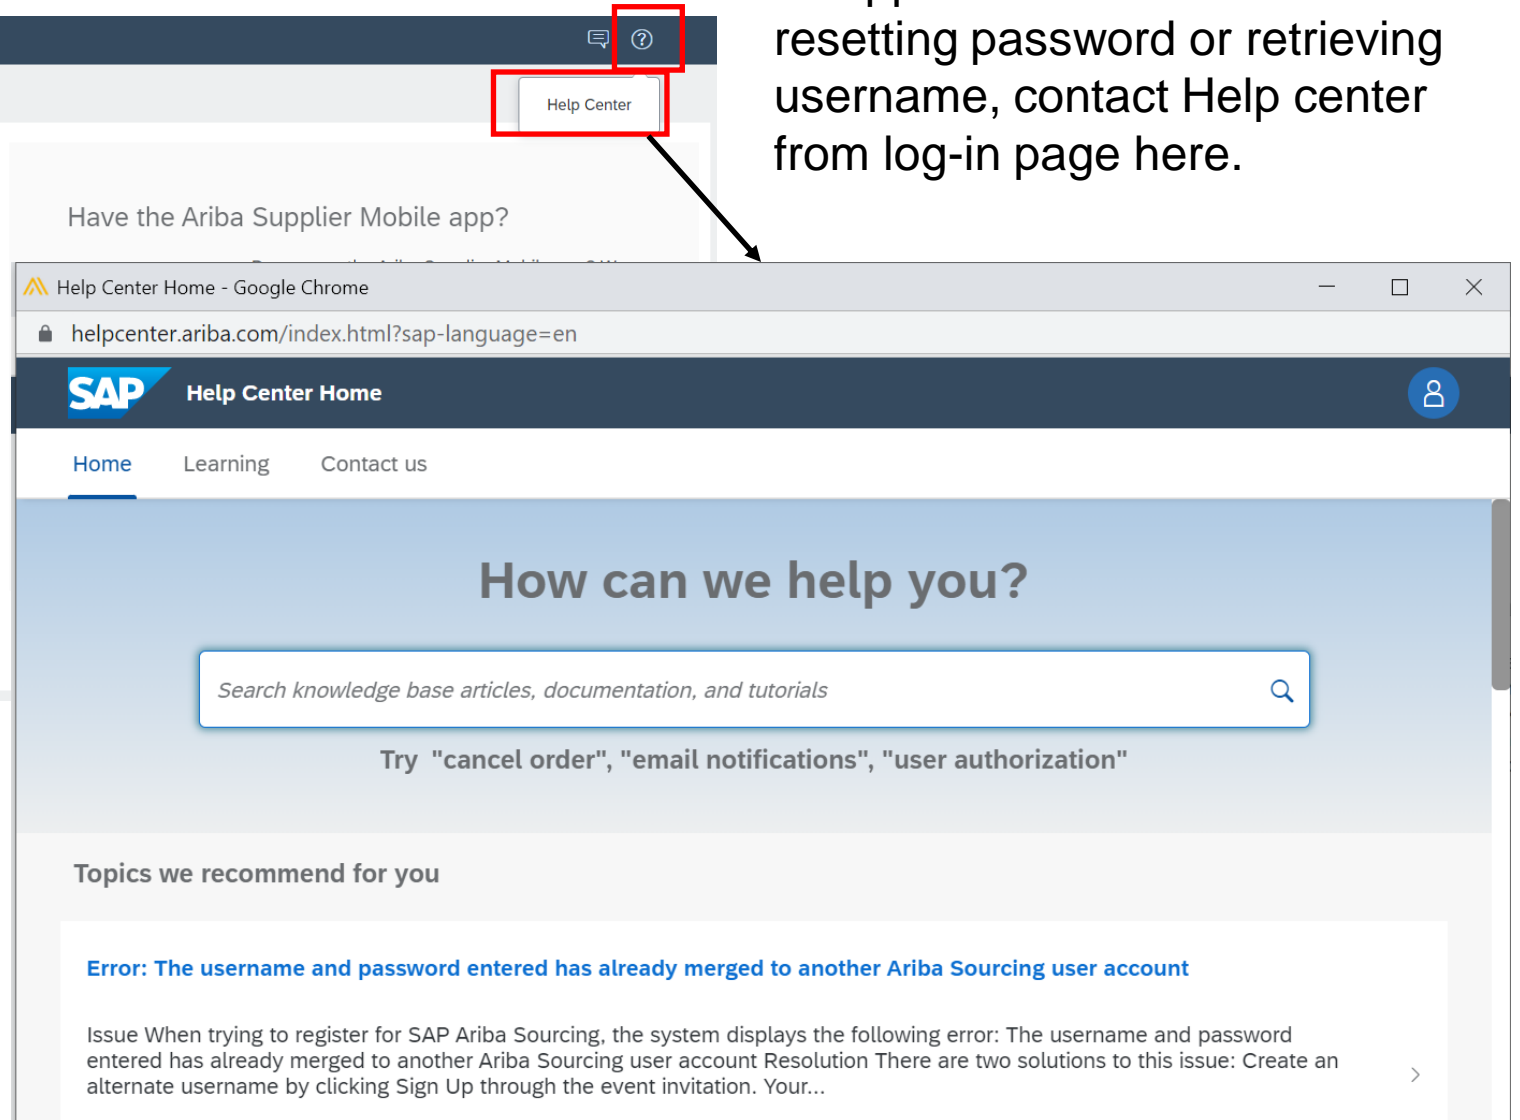

How to contact Help Center for log-in issues

The screenshot shows the SAP Business Network Supplier Login page. At the top, there is a dark blue header with the SAP logo and 'Business Network' text. Below the header, the page title 'Supplier Login' is displayed. There are two input fields: 'User Name' and 'Password'. A blue 'Login' button is positioned below the password field. Below the button, there is a link for 'Forgot Username or Password'. At the bottom of the login section, there is a link for 'New to SAP Business Network? Register Now or Learn More'.

Access Help Center from Ariba Network Supplier Login page

If suppliers have trouble resetting password or retrieving username, contact Help center from log-in page here.

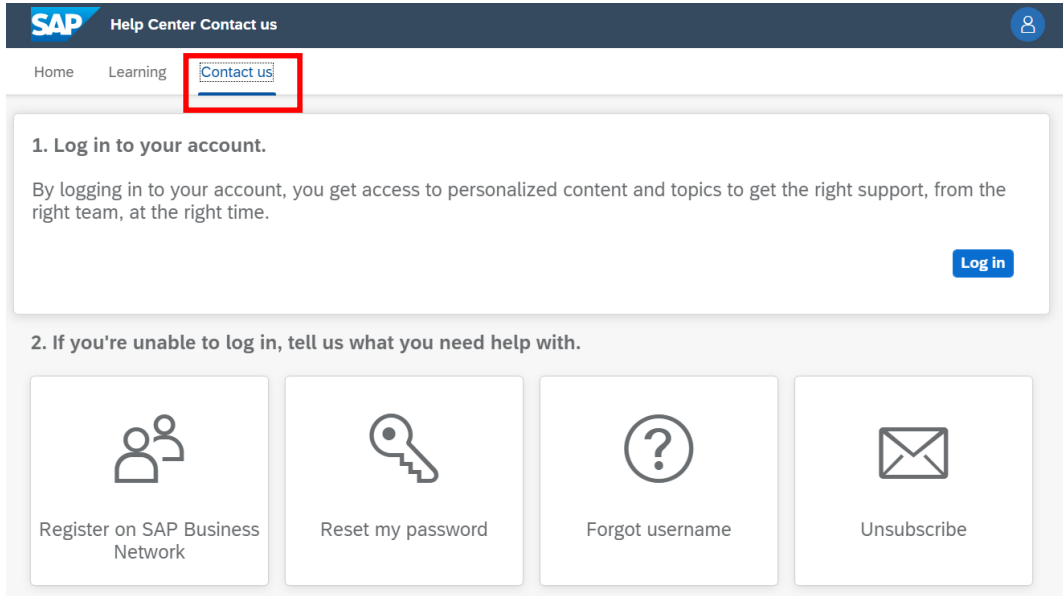

The screenshot shows the SAP Help Center Home page. At the top, there is a dark blue header with the SAP logo and 'Help Center Home' text. Below the header, there are navigation links for 'Home', 'Learning', and 'Contact us'. The main content area features a large blue banner with the text 'How can we help you?'. Below the banner is a search bar with the placeholder text 'Search knowledge base articles, documentation, and tutorials'. Below the search bar, there is a section titled 'Topics we recommend for you' with a list of topics. One topic is highlighted: 'Error: The username and password entered has already merged to another Ariba Sourcing user account'. Below this topic, there is a brief description of the issue and its resolution.

How to contact Help Center for log-in issues

The image shows two screenshots illustrating the process of contacting the Help Center for login issues. The left screenshot shows the SAP Business Network Supplier Login page. The right screenshot shows the SAP Help Center Home page, which is accessed via a 'Help Center' link in the top right corner of the login page. The 'Contact us' link in the Help Center navigation menu is highlighted with a red box. Below the navigation menu, there is a search bar with the text 'Search knowledge base articles, documentation, and tutorials' and a search icon. Below the search bar, there is a suggestion: 'Try "cancel order", "email notifications", "user authorization"'. Below this, there is a section titled 'Topics we recommend for you' with a link to an error message: 'Error: The username and password entered has already merged to another Ariba Sourcing user account'. The error message text reads: 'Issue When trying to register for SAP Ariba Sourcing, the system displays the following error: The username and password entered has already merged to another Ariba Sourcing user account Resolution There are two solutions to this issue: Create an alternate username by clicking Sign Up through the event invitation. Your...'

1. Go to Help Center page from Ariba Network Supplier Login page

How to contact Help Center for log-in issues

6. Choose “Phone” as the contact method, then click “Submit”

A Support Engineer from SAP will get in contact via the phone number provided in contact form.

The screenshot shows a web browser window titled "Help Center Contact us - Google Chrome" with the URL "helpcenter.ariba.com/index.html?sap-language=en#/help". The page header includes the SAP logo and "Help Center Contact us" with a user profile icon. The navigation menu has "Home", "Learning", and "Contact us" (which is active). The main content area is a form titled "Choose this contact method for the fastest resolution of your issue:". It features three radio button options: "Phone" (with a phone icon and a blue "Recommended" badge), "Email", and "Chat". The "Phone" option is selected and highlighted with a red box. Below the "Phone" option, there is a text input field for "Estimated wait time in minutes:" and a checkbox labeled "Do not record my phone call." At the bottom right of the form, there are three buttons: "Back", "Submit" (highlighted with a red box), and "Cancel".

Recommended information to provide when Supplier raise Support ticket to request for Account Administrator Transfer

In case supplier account's administrator has left the organization, supplier would need to raise a support ticket to request for transfer of administrator.

Below is information that suppliers are recommended to provide in the ticket

1. Mention in **ticket subject**: Request to transfer account administrator because current administrator already left the organization
2. In the **ticket description/ details**, mention:
 - a) Supplier's account ANID
 - b) Current account administrator name and email address: the current admin whom already left the company
 - c) New account administrator name and email address that they would like to transfer to.
 - d) A valid contact number for verification purpose.

Ariba Support will call supplier to verify this admin transfer once you raise a ticket. Please look out for overseas call.

Note: To ensure the security of our suppliers' accounts, account reassignment requests go through an additional approval process that would take between 7-30 days

Customer Interaction Center: Hotline - Email - Chat

If you require immediate assistance for technical issues or to report an error please contact your local customer interaction center via our 24x7 telephone service.

Please look up the respective hotline number in your country in this link:
